

**IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF MISSISSIPPI
NORTHERN DIVISION**

RAE ANDREACCHIO

PLAINTIFF

VS.

CIVIL ACTION NO.: 3:21-cv-00386-CWR-LGI

KAREN YAX

a/k/a "The Critical Kay"

DEFENDANT

**28 U.S.C. § 1746 DECLARATION OF
LINDA KINGSLAND**

I, LINDA KINGSLAND, of 5077 Highland Drive, Marrero, Louisiana, 70072, states that the following is true to the best of my knowledge, recollection, and belief:

I have downloaded four videos of the Defendant's YouTube program, which is entitled "Critical Kay." These videos may be found at the following Google Drive folder:

<https://drive.google.com/drive/folders/1cBPFR7o0Qhqd1aC3GzOHIAxqDGLDiS7X> .

For the Court's convenience, a shorter, TinyUrl link has been created to take the user to the same location: <https://tinyurl.com/37fm5j4t>. The videos in this folder are:

1. "vlc-record-2021-08-22-17h22m38s-Why Do I LOVE Plushies!," which is a clip of a much larger program entitled, "Why Do I LOVE Plushies!," which may be found at: <https://www.youtube.com/watch?v=LdbvLU-ITWs>. This video is believed to have been produced on or about April 23, 2021.
2. "Dismantling Apartment 801 PART 3"
3. "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!," which was uploaded by Defendant to YouTube on or about March 21, 2021.

Declaration of Linda Kingsland, Continued

4. "John Lordan Danelle Hallan Kendall Rae Sheila Wysocki," which was uploaded by the Defendant to YouTube on or about April 11, 2021.

Except for the clip entitled, "vlc-record-2021-08-22-17h22m38s-Why Do I LOVE Plushies!," I downloaded these videos directly from the Critical Kay channel on YouTube. Usually within a day or two after its release date, YouTube would sometimes provide a Google-generated transcription of the videos. I download those as well (when available).

The clip entitled, "vlc-record-2021-08-22-17h22m38s-Why Do I LOVE Plushies!" was created when I used an app to trim the larger "Why Do I LOVE Plushies!" video.

I had a Google Transcription of The Critical Kay's video, "CK EXCLUSIVE: Christian Andreacchio friend Dylan chats with Kay!" (This complete Google Transcription is attached as Exhibit "A.") For my snip transcriptions from that particular video, I was able to utilize that Google-generated transcript and only edited what was incorrect in relation to what I heard (such as improper spellings, or the names of the speakers, *etc.*). For the remainder of the videos that I transcribed, I relied solely on what I had heard, typing the words out myself.

These transcriptions are true and correct to the best of my knowledge and ability.

My transcription of the relevant part of the "Why Do I Love Plushies," which begins at the (3:15:54) mark, is depicted below:

Defendant:

They catfished her and they said, "here you go it's Apartment 801 Critical Kay- Part 3, and they're going after your family", they said, and she puts, "yes - period". It's very controlled "yes - period". This is a... and I...people need to understand

Declaration of Linda Kingsland, Continued

this... this, there are certain hallmarks that reveal how controlling someone is in text.

If someone double space [thumps table twice], if they double space [thumps table twice] after a period ...If they go, "yes", [thumps table twice]...if they go, "yes", [TA-RUP] they're hitting their thumb twice..."yes", [TA-RUP] - it's very controlling. She puts, "yes", and double space, "She has been posting for several weeks". No, I haven't been posting, I've been doing the hard work.

Criminal Imagination:

How does she know she hasn't been listening?

Defendant:

Exactly, and she says, "not many people listen to her", period - [thumps table twice] double space, "I just ignore her".

No, you don't Rae... you don't ignore me... you're not ignoring me...you're very well aware of me and you know that I have taken up for Dylan and Whitley and I'm a force to be reckoned with...I'm a Powerball... you never met a m-----f----er like me...Rae!

And you know it, you sense it and you're going to try to tell people that you just start ignoring me and you're not...you know, that I'm coming for this narrative.

I'm gonna fight for these people...

I'm gonna fight for fairness and balance where they're concerned and you're not comfortable with that because you have gotten really used to people kowtowing to you and bowing to you... and toeing your narrative for you...it's become really easy for you to do online...and it needs to be like, [clicks tongue] not easy [laugh] for you...like, everyone has to have someone, right? That they...that's their wall.

My transcription of one relevant part of "Dismantling APT 801 PART 3," which begins at the (4:13) mark, is depicted below:

Declaration of Linda Kingsland, Continued

Defendant:

I already begun working on just completely negating and destroying everything Danelle and John have claimed. And I'm going to do this with the help of Dylan & hopefully, Whitley and her family...provided she's available. But they can't continue to ignore me. Because they're saying things that are untrue about these people I am representing. And they need to either retract what they're saying or provide some basis for what they're saying. They're providing none.

My transcription of another relevant part of "Dismantling APT 801 PART 3,"

which begins at the (5:07) mark, is depicted below:

Let's go ahead and get started, so...ah, Kendall Rae begins the second part of her vlogumentary by saying quote -"if you believe Christian needs justice you will sign our petition", and the problem with this statement, the problem with this question is it's actually declarative.

She is declaring to you, the listener, that he was somehow denied justice which is mis-misleading on this face, because she cannot possibly declare that.

It is not a quote - "fact", that Christian Andreacchio was denied justice. If anything, the facts and evidence, in this case, prove otherwise. They prove that Christian took his own life on 2 26th 2014. A thorough and detailed investigation was done by the proper authorities including a deep analysis of Christian himself and a conclusion was made that he took his own life.

Christian determined the justice he sadly felt he deserved in this life and as I will show you tonight he was actually worried his family would try to blame someone else and for those of you that come at me with quote - "This scene was botched!". This argument can exist simultaneously with an incident of self-harm. A scene being handled less-than-perfect does not automatically mean the scene was staged to make an incident of self-harm look like murder.

Declaration of Linda Kingsland, Continued

You must take into account all the available evidence in the case before making a declarative statement as regards someone's death or the guilt or innocence of any bystanders. This case has been investigated by the Meridian Police Department, the Mississippi Bureau of Investigation, the Attorney General, multiple PIs, and multiple forensic specialists.

If Rae did not hire and fire so many people that overlapped and recuse themselves for being beat over the head with threats misinterpret-misinterpretations and accusations maybe the waters wouldn't be so muddy, and things would have been, ah, able to be done completely and cohesively, "Thank you EG for the Super Chat!".

What Rae did herself, Christian's mother was to impede on anyone from doing a good job for her, "Thank you, Relearn Your Truth!". Her impatience, her inability to adhere to the laws and legal protocol, and lack of acceptance when her witnesses proved not credible and/or their testimony was hearsay created this delusion of a lack of justice.

The video entitled "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!" has multiple sections that are relevant to this discussion. My transcription of this part of "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!", which begins at the (1:16:10) mark, is depicted below:

Dylan Swearingen:

True, I've been... I've been diagnosed with chronic PTSD...but see, the funny part is...here's the crazy part...when I tried to get counseling in Meridian, I had one counselor... like one therapist that I could go see. Everyone else wouldn't see me because of a conflict of interest due to Rae Andreacchio.

My transcription of this part of "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!", which begins at the (4:28) mark, is depicted below:

Declaration of Linda Kingsland, Continued

First thing I want to say is...If Rae wants to try this case on social media, as she has been attempting to do since 2017. I'm happy to oblige her! Riiight? I'm happy to oblige her and until now, she's REALLY dominated the narrative about this case via...intimidation, bullying, outright lies, and I sort of set the groundwork for a lot of that the other night and I'm going to continue to...lay that groundwork and continue to provide proof...of the things that I claim that she has attempted to control the narrative via intimidation, bullying, lies, bribery, getting people drunk, getting young people drunk, etc., etc... so - and that's very troubling to me...but she has really dominated the narrative... her and her family, her brother, and her children, and it's time for the other side to have their say. It's time for the other side to have someone who takes up the mantle for them. Until now, they really haven't had anybody I think. They've had maybe a uh... one or two podcasters who have attempted to accomplish this but were quickly run off...they were became quickly terrified by Christian's family and were sent running into submission...and that's not going to happen with me.

My transcription of this part of "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!", which begins at the (01:03:32) mark, is depicted below:

Defendant:

Well, yeah, I mean it goes to the... to the... point that the overarching point that I've been trying to make about crossing boundaries, doing very unethical things and I'm going to be pointing out tonight in the show, uh, another person who was BRIBED by Rae, to make... f-false statements, and then I have another girl I'm talking to...Mykala, who was, um... they tried to get a...a guy named, Hunter to get her drunk to get her talki---

Dylan Swearingen:

Yeah, Mykala, she's... she's good people, yeah.

Defendant:

Declaration of Linda Kingsland, Continued

Yeah, she is. I've been talking to her and...and the bottom line here is none of that would be admissible. So, statements got when a young girl has been gotten drunk or statements that have been purchased... statements that have been bribed none of that's admissible.

My transcription of this part of "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!", which begins at the (01:05:23) mark, is depicted below:

Defendant:

And I don't know about you but I look at people's patterns and I see that Rae and Todd have a pattern of bribing people with drugs and money. They have a pattern—

Dylan Swearingen:

They're money people.

Defendant:

and money.. and they have a pattern of, um, trying to solicit statements out of people via very nefarious means... getting someone drunk, are you kidding me? And... and the, and the problem for them is all of this is very well documented. There's proof of all of it, so there's no way to deny it, right? I mean you, yourself have proof of this.

My transcription of this part of "CK EXCLUSIVE Christian Andreacchio friend Dylan chats with Kay!", which begins at the (2:19:00) mark, is depicted below:

Jordan Edwards:

Hi - um... so, my name is, Jordan. I'm sure the last time you guys heard of me, or from me was from my podcast when I was 16 years old...and that's, and there's just some things I want to say about it, some things that I want to get off my chest and just to really like inform you guys and let you guys know.

Declaration of Linda Kingsland, Continued

Um, so one being everything I said was hearsay...everything was hearsay. I was told at 16 years old that I would receive ten thousand dollars to provide a story to the Andreacchio's when all I received was five hundred dollars and a jar of some really, really, low-grade weed from Todd Andreacchio and yes, I do have a witness.

Two - I don't believe it was a murder, in fact, I know it was a suicide. Um, I didn't know the severity of the situation at that time in my life...you know, like, I did it, and I, I wish to god that I would have, um...I don't even think Rae had the chance to mourn the death of her son before she started to want to blame, you know, like I think there's two things about suicide that we all know... that- one, you never, it's always going to be the person we least expect, for one, like it's always, always going to be the sunshine in the group that's, you know, that's hurting the most because you never know what someone is going through internally you never know what certain words or actions or something that triggers people, you know like trigger certain emotions for people, um, you know, it's like be mindful of that as well you know from here on out like just in the future and like with your friends and family and stuff like you know and you also never know someone's past like what has traumatized them, and like we're all human we all take damage certain ways and we all handle damage certain ways...

and I'm also-- like one thing that I am very aware of that won't leave my mind is how fake I was and how I folded on someone that would never do that to me and someone that I really love you know like what's... like I folded... okay, and I'll carry that on my back for the rest of my life. I will, and so will she...you know.

You guys are all being motivated you're getting caught up in the hearsay just like I did.

Um, you know, you guys want justice for Christian but you're not giving him any because his message hasn't even been heard.

Um, I'm sorry Whitley.

Declaration of Linda Kingsland, Continued

I'm sorry to everyone that I deceived.

My transcription of the relevant part of "John Lordan Danelle Hallan Kendall Rae Sheila Wysocki," which begins at the (2:46:35) mark, is depicted below:

Defendant:

Wasn't Hayes... wasn't Hayes, wasn't Hayes also treated by Rae?

Matt Miller:

I have, I don't know that—I don't—I don't...

Defendant:

Dylan, wasn't Hayes, was Hayes treated by Rae? Dylan, we know you were.

Dylan Swearingen:

I was told...I was told through someone else that sometime that may have happened. I'm not 100% sure, so I can't vouch for it, but I'm sure that there's somebody in my group, that if this is true, they can vouch for it.

Matt Miller:

Yeah

Defendant:

It seems to me—

Dylan Swearingen:

I myself, I—

Defendant:

that's something I have heard—

Declaration of Linda Kingsland, Continued

Defendant:

It seems to me that that's something that I heard...that Hayes Mitchell was also treated by Rae. And that's what I need people to understand, there's a whole host of young people here specifically, teenagers and young adults, who have been treated by Rae in this community via her workplace. They've been treated, they've been treated both, uh, counseling-wise, and ah, medically by Rae. And some of these people who have been treated by her counseling-wise, and medically have gone on to be accused by her...of being involved in this... this is how far her reach goes. Um—

Matt Miller:

I mean, they're definitely bullies. They're, they're, they're... they're definitely, they don't care who they takedown.

Defendant:

That's right.

Matt Miller:

They will, they will—

Dylan Swearingen:

Hey...hey...

Matt Miller:

they will take anybody—

Defendant:

Go ahead, Dylan.

Dylan Swearingen:

Declaration of Linda Kingsland, Continued

Somebody just said in the chat that, um, there was text messages between Rae and Bilbo, uh, that Hayes was treated by Rae. I was just going to let you know that.

Defendant:

I really do believe that Hayes was treated by Rae, and Hayes is now dead with a drug overdose and he was treated by Rae. He's dead also by self-harm. So she has a son that's dead by self-harm and she has a patient that's dead by self-harm.

Matt Miller:

And I believe the only reason that Hayes was brought into this is because when we went, or, to with that gun night situation, we went on Hayes dirt road. It's called Hayes Road out there in Clarkdale or, um, that is a long dirt road that we used to go down in high school & shoot guns, party, and do all that good stuff and I think that's how he got brought into this honestly.

Defendant:

So you think it was, br.. sh..he..that Hayes was brought into this by virtue of a street name?

Matt Miller:

She heard, she, she heard that she heard that name and she remembered that Hayes and Jet were really good friends and at that time she was going at Jet really hard.

Defendant:

She was going at Jett really hard? Now, can you, and I've asked Dylan this and I want to hear from you Matt, do you think that Hayes' self-destruction and his, um, downward spiral into drug abuse and ultimately his death do you think that this whole situation played any part of that?

Declaration of Linda Kingsland, Continued

Matt Miller:

Um, No, I-I-I think he had his own troubles. I-I-I - He didn't look into any of this. I-I don't think he even really knew Christian like that, honestly. I mean, he just, I knew, I knew Hayes, not as good as my cousin...but I've always known him to have som—

Defendant:

But Hayes knew that his dad & Rae had literally become sort of bitter enemies over this because his dad, right, is Bilbo, who is the first AG, right?

Matt Miller:

Yeah

Defendant:

So Hayes knew that his dad, ah, was in a, like, struggle with Christian's mom over all of this, and people need to understand that.

Matt Miller:

Honestly, what I think happened to Hayes and I am just going to be blunt honest with you, no disrespect to my friend whatever... But I feel like, he was in rehab for a long time, he got out and he thought that he could handle what he used to could do and he did too much. I don't think the whole case or anything played the situation on his death at all—

Defendant:

But It probably didn't help.

Matt Miller:

It didn't probably, but just, ya know—

Declaration of Linda Kingsland, Continued

Defendant:

It probably didn't help.

Defendant:

The whole situation probably didn't help.

I DECLARE (OR CERTIFY, VERIFY, OR STATE) UNDER PENALTY OF PERJURY THAT THE FOREGOING IS TRUE AND CORRECT.

00:42

Declaration of Linda Kingsland, Continued

um

00:52

hey guys i don't know why but i'm not

00:54

seeing the

00:56

um comments on stream yard i don't know

00:58

if stream yard's not working

00:59

or what's going on let me see if i can

01:04

fix that

01:10

things

01:28

i see nothing

01:41

i hate to have to watch the actual

01:43

youtube to see comments because there's

01:45

that weird delay and it just throws me

01:47

all off like i can't handle it

01:50

hi jeanette hi cheryl hi sabrina

01:54

hi jonesy hi melissa

01:57

so i don't know what to do i'm not gonna

01:59

be able to see the super chats if you

02:00

guys throw super chats at me

02:02

i have a lot of ground

Declaration of Linda Kingsland, Continued

02:05

to cover a lot a whole lot

02:09

so i want to get started as soon as

02:11

possible

02:17

don't know why

02:20

i'm not seeing comments it's really

02:23

strange this has never happened

02:31

and you guys see me commenting

02:37

let me see if i can see my own comment

02:39

thanks angie ray

02:41

yeah look it i can see my own but i

02:43

can't see any of you guys

02:46

what's going on stream yard

02:51

what if i restart how about

03:08

it worked it worked yes

03:14

hi watchful eye

03:18

all right let's get started thank you

03:20

melissa weir i'm going to assume that's

03:22

you

03:22

Declaration of Linda Kingsland, Continued

coming in with the huge yes it is thank

03:24

you melissa thank you angie ray

03:27

thank you for becoming a member lisa

03:29

lisa

03:31

hi c muffin hi sheila

03:36

i always feel like i'm like larger than

03:38

life too

03:39

i wish i could push my camera back a

03:44

little

03:46

hi empty nester hi melania hi lois lois

03:51

hi relearn your truth hi just danny

03:54

all right let's get started because i

03:57

have a lot

03:58

a lot a lot aground to cover so

04:20

okay so before i get to the 911 calls

04:23

and i have two

04:24

that i'm going to be playing back to

04:26

back

04:28

first thing i want to say is if

Declaration of Linda Kingsland, Continued

04:31

rey wants to try this case on social

04:34

media

04:35

as she has been attempting to do since

04:37

2017 i'm happy to oblige her

04:40

right i'm happy to oblige her and until

04:43

now

04:44

she's really dominated the narrative

04:47

about this case via

04:50

intimidation bullying outright lies

04:54

and i sort of set the groundwork for a

04:57

lot of that the other night

04:59

and i'm going to continue to

05:02

lay that groundwork and continue to

05:05

provide

05:06

proof of the things that i claim

05:09

that she has attempted to control the

05:11

narrative via intimidation

05:13

bullying lies bribery

05:16

Declaration of Linda Kingsland, Continued

getting people drunk getting young

05:18

people drunk

05:20

etc etc so and that's very troubling to

05:24

me but

05:24

she has really dominated the narrative

05:26

her and her family her brother and her

05:28

children and it's time

05:29

for the other side to have their say

05:32

it's time for the other side

05:34

to have someone who takes up the mantle

05:37

for them until now

05:39

they really haven't had anybody i think

05:40

they've had maybe a

05:42

uh one or two podcasters who

05:45

have attempted to accomplish this but

05:48

were quickly

05:49

run off they were became quickly

05:52

terrified

05:53

by christian's family

Declaration of Linda Kingsland, Continued

05:56

and were sent running into submission

05:58

and that's not going to happen with me

06:01

so and look at the chat is stopping like

06:03

i don't know what's going on

06:06

i don't know what said i'm frozen right

06:09

no i'm not this is crazy tonight

06:14

the last comment i see is yes muffin

06:16

saying yes i can

06:17

so i don't know what to do about the

06:18

chat i guess i just don't get to see it

06:20

tonight unless i

06:21

flip over to youtube so let's just get

06:23

on with the show

06:24

so first thing i want to stress before i

06:27

play

06:28

these 911 calls these come directly from

06:30

the case file

06:32

the first thing that i really want to

06:33

Declaration of Linda Kingsland, Continued

stress is that

06:36

prior to this day this

06:39

fateful horrible day dylan hadn't seen

06:43

or heard from christian in about six or

06:46

eight months

06:47

prior to christian calling him and

06:50

asking him to come pick him up

06:54

and i think that that's important to

06:56

note uh as we move on

06:58

into the story and we learn a little bit

07:00

more about the dynamics between these

07:02

two friends

07:03

and and the things that have come about

07:05

now on social media with the harassment

07:07

of dylan

07:08

and the the things that have been said

07:12

about him that have been untrue

07:15

and i myself have spent many hours

07:19

talking to dylan and i think

Declaration of Linda Kingsland, Continued

07:23

you know one of the things that

07:26

i bring to the show that i bring to

07:28

youtube

07:30

is that's different from

07:33

the one podcaster one of the podcasters

07:36

or youtubers kendall ray

07:37

who covered this case and gave

07:40

only one side she she played it safe

07:44

and went with the popular side

07:47

the side that has pushed and coerced

07:50

their narrative

07:51

via all those tactics that i laid out i

07:53

think what's

07:54

what what is different about me and what

07:56

i bring with it is a sense of

07:57

credibility and fairness

07:59

i try to bring about balance i say this

08:01

to people all the time

08:02

Declaration of Linda Kingsland, Continued

and there is a definite imbalance and
08:04
the way this case has been covered
08:06
and the way that it has been portrayed
08:08
to the media
08:10
and that sense of imbalance is what i
08:12
really want to
08:15
correct and and bring a sense of balance
08:19
back
08:20
so that the social media observers are
08:22
not only receiving one side of the
08:25
narrative
08:26
and not being poisoned by one side of
08:29
the narrative
08:30
so i think that's really important for
08:31
people to understand is that i have
08:33
spent many hours talking to dylan
08:36
and he's never once wavered from his
08:39
story and the things he tells me
08:40
he's never once contradicted himself to

Declaration of Linda Kingsland, Continued

08:42

me and i've never caught him in a lie

08:45

and i've spent roughly seven or eight

08:48

hours

08:49

off the record talking to him and i'm

08:51

going to be playing an interview that i

08:52

did with him earlier today

08:54

for you guys tonight and that's all

08:55

about 45 minutes long

08:58

but i want to kind of set the stage for

09:00

these 911 calls

09:02

so as we know from the case file

09:05

and from the record that dylan took two

09:08

trips that day

09:09

he went out for chick-fil-a he went to a

09:12

t

09:13

to try to get whitley's phone fixed

09:16

upon christian's request

09:21

and he when he was

09:25

Declaration of Linda Kingsland, Continued

when he was at the at store he realized

09:28

what was wrong with it

09:30

with the phone and he realized that he

09:31

was going to have to get someone else to

09:33

fix it because he knew that the att

09:36

the the dudes that work at at t weren't

09:38

going to be able to fix it

09:40

that's not part of their job you know

09:42

their their pay grade

09:43

this was going to be have to be

09:44

something that was sent to apple and

09:46

then he then went to moon a

09:48

federal crew credit union at the behest

09:51

of christian and people need to

09:53

understand there is

09:55

texts and phone calls to prove this

09:58

he knew he was going to be denied

10:00

getting the money out

10:02

and you see his phone in his hand in the

Declaration of Linda Kingsland, Continued

10:04

picture

10:05

he knew he was going to be denied he

10:06

knew it was a fruitless errand

10:08

and but he was just trying to appease

10:10

his friend and he went anyway

10:12

he didn't get any money and um

10:16

he even told christian dude there's like

10:18

no way that they're gonna give me your

10:20

money and

10:21

dylan i think

10:24

strongly suspects that christian was

10:26

just sending him

10:27

on wild goose chases to keep him away

10:31

to get him out of the apartment keep him

10:33

busy running around

10:35

and and get him gone from the apartment

10:39

dylan then goes back to the apartment he

10:41

brings food back they eat

10:43

Declaration of Linda Kingsland, Continued

and then dylan uh dozes off after eating

10:46

and he wakes up as christian and whitley

10:48

are leaving to go to bonita lakes which

10:50

is behind

10:51

the apartment complex and christian

10:53

tells him

10:54

yeah we're just going for a drive we

10:56

want to go for a drive we want to go be

10:57

alone for a little bit

10:58

go have some alone time and talk some of

11:00

this through

11:02

when dylan wakes up from his little nap

11:04

catnap he sees christian

11:06

chain smoking and he says that christian

11:09

appears

11:10

wired that he appeared a little um

11:15

the word he used was just

11:18

had a weird energy about him that he

11:20

just seemed kind of

Declaration of Linda Kingsland, Continued

11:22

wired and was chain-smoking cigarettes

11:27

dylan then decides he's going to go to

11:29

best buy and he's going to go out and

11:31

get some speakers and he heads there he

11:33

goes to best buy and when he returns

11:35

from best buy

11:36

is when he enters the apartment and

11:41

he understandably starts looking for

11:46

christian he first checks christian's

11:47

bedroom and whitley is in there napping

11:50

and what i want people to understand is

11:52

this is a two-story apartment

11:54

and christian in whitley's bedroom was

11:56

on the bottom floor they had their own

11:57

bathroom

11:58

and then like a communal area and a

11:59

kitchen and then upstairs was josh's

12:02

bedroom

12:03

Declaration of Linda Kingsland, Continued

and josh's bathroom

12:06

so he goes back up he goes uh upstairs

12:10

doesn't immediately notice the light on

12:12

in in the bathroom he goes upstairs kind

12:14

of pokes around doesn't see christian

12:16

and josh's bedroom heads back downstairs

12:19

at some point he

12:20

goes um back upstairs and

12:25

opens the door to the bathroom

12:29

asking if christian is all right uh

12:32

you know sort of i think gingerly

12:34

entering the bathroom

12:36

and the first thing he sees is

12:37

christian's boots and christian

12:40

slumped over the tub and

12:44

it i think it did appear to dylan that

12:48

christian this was a position that

12:51

christian

12:53

had himself in or naturally ended

Declaration of Linda Kingsland, Continued

12:56

up in and the pictures of that are in

12:58

the case file i'm not going to show them

12:59

they're very graphic but

13:01

they are in the case file and he

13:03

immediately knows

13:05

something's not right that something is

13:06

very wrong with christian

13:08

and he runs downstairs to get whitley

13:11

and she of course gets

13:13

up and out of her

13:16

sleep and stupor and haze and goes up

13:20

stairs and sees for herself what has

13:22

transpired

13:23

and begins screaming and crying upon

13:26

seeing

13:27

christian and then at that point dylan

13:30

then calls

13:32

9-1-1 911 that

13:36

Declaration of Linda Kingsland, Continued

ensued

13:46

now one

13:52

okay what's your address the woodland

13:54

apartment

13:55

woodland apartment what apartment number

13:57

oh

13:59

i know apartment 801

14:42

yes okay dylan stay on the phone with me

14:45

okay

14:46

okay your phone number six one six five

14:48

six five zero

14:50

no your phone number six one six fifty

14:52

six fifty

14:53

this one

14:57

get somebody up okay i got several

14:59

officers on the way

15:00

okay just down the phone with me i

15:02

really need to call somebody in the

15:04

family

Declaration of Linda Kingsland, Continued

15:06

okay hold on you don't know how it is no

15:09

weapons or anything i think he shot

15:12

himself do you think he showed himself

15:13

yes ma'am i left to go to the store and

15:17

he uh he went to the bathroom i thought

15:19

he was taking the shower

15:21

okay did he say that he was gonna do

15:22

this or no ma'am

15:28

okay who's that in the background this

15:30

is girlfriend your girlfriend's there

15:32

too

15:32

yes ma'am

15:39

what's her name literally goodman

15:41

whitney goodman

15:43

whitley okay

15:46

she's not okay she's trying to touch

15:47

anything okay whitley

15:49

whitley come down here they don't want

15:52

Declaration of Linda Kingsland, Continued

you to touch anything

15:53

come on let's try it come here

15:58

come here come here

16:19

come here come here whitley

16:24

now i really need to call a family

16:26

member is that okay

16:28

can i put you on hold okay hold on one

16:31

second okay

16:33

come here what

16:51

okay so we do have everyone on the way

16:54

so can you let me go you can okay

16:56

yeah yes ma'am i really need to call

16:58

family members just make sure that

16:59

you're looking out for the officers okay

17:02

okay tell him i have the door open door

17:05

is open

17:05

yes ma'am and you'll see a silver bmw in

17:08

the driveway

17:12

okay we have a couple of officers okay

Declaration of Linda Kingsland, Continued

17:14

okay

17:15

all right

17:20

okay so that is the first 911 call

17:28

and here's the second and i want to say

17:30

before i play the second one this is

17:32

they

17:32

they call back to get um

17:37

accurate address information from dylan

17:40

but i want to say before i play the

17:42

second

17:42

call 48 hours might not want to play

17:46

these calls in their entirety but i

17:48

thought they were really

17:49

important to hear and i'm gonna get to

17:52

the reason

17:58

why

18:21

and you'll ride up a hill

18:38

yeah okay my officers are in the area

18:40

Declaration of Linda Kingsland, Continued

what building are you at

18:42

801. okay

18:46

when you go in the complex how far you

18:48

where you go

18:50

as soon as you pull in the complex you

18:53

pass the driveway and you'll take your

18:54

next left

18:56

and you'll ride up a hill and when you

18:59

go up the hill

19:01

you know you can't miss the cars like

19:04

you'll see the car

19:04

it's a silver truck and a silver bmw

19:08

beside each other

19:09

okay you said you're well then

19:10

apartments right right

19:12

are you know one is there like a or b

19:16

or anything like that i don't think so

19:21

hannah one second

19:45

there's no letter on the building or

Declaration of Linda Kingsland, Continued

19:46

anything no no

20:04

801

20:09

so the building eight yes

20:16

and this is the woodlands right yes

20:33

i don't know where the number is

20:38

can you step outside and i'm outside

20:40

right now

20:41

okay you see a letter anywhere in the

20:46

apartment

20:49

no mail there's the woodland's on 39

20:51

right

20:52

yes ma'am all i see is eight of the

20:54

houses

20:56

eight so it's building eight yeah

21:04

do you see a letter on his door or

21:05

anything ma'am i had to use this phone

21:08

and my mom was calling me give me just a

21:10

second okay

21:10

Declaration of Linda Kingsland, Continued

i'm not going to hang up on you okay we

21:12

just need to find out where you're at

21:14

hold on one second

21:34

yes sir i don't see any letters on it

21:37

all i see is a number eight on top of

21:39

the houses

21:40

and then you'll see 801 up under the

21:43

door

21:46

are you seeing the officers or anything

21:50

you're sure you're at the woodlands

21:51

right yes ma'am the

21:53

woodlands are 39. um

21:57

mcdonald's when you pass it

22:03

hey give me just a second there

22:06

they're at the woodlands i can't seem to

22:08

find you give me just a second are you

22:09

sure you're not an 801 deer run at

22:12

willow ridge

22:13

well hold on okay i know you're upset

Declaration of Linda Kingsland, Continued

22:17

see what he's called before from little

22:18

ridge

22:20

is this willow ridge this is willow

22:23

ridge i'm sorry

22:24

it's

22:39

they don't want you to touch anything

22:42

okay all right now we got your right

22:44

address for the officers on the way over

22:45

there okay

22:47

all right just give us a few more

22:49

minutes okay

22:50

okay all right

23:24

all right so yeah i know i know it's

23:26

really hard to hear

23:28

and there's a lot of gut-wrenching

23:31

emotion there

23:33

no denying that and

23:36

i myself am absolutely astonished

23:41

Declaration of Linda Kingsland, Continued

that anyone else who has taken a look at

23:43

this case has heard

23:45

these calls and

23:48

has heard anything other than a shocked

23:51

young man

23:52

in complete distress and a young girl in

23:55

utter hysterics

23:57

this is in my opinion 100 percent

24:00

raw emotion there is nothing

24:04

about those two calls that rings of

24:08

orchestration pre-planning or being

24:11

scripted

24:13

he was giving them the wrong address for

24:16

crying out loud he was so

24:17

upset and so mentally jarred

24:21

that he was giving them the wrong

24:25

address you can almost hear him shaking

24:30

he had to be corrected at what address

24:33

he was at if this was in any way

Declaration of Linda Kingsland, Continued

24:35

scripted and planned like okay we're

24:38

gonna kill christian and then we're

24:39

gonna

24:40

whitney you're gonna start screaming

24:41

crying and i'm gonna be all upset we're

24:42

gonna call the police

24:43

he would have had the right address that

24:46

all would have been pre-planned planned

24:48

out they would have had all their ducks

24:49

in a row

24:52

there's nothing about this that comes

24:55

off

24:56

as scripted or orchestrated this was in

24:59

my opinion

25:00

100 raw emotion

25:03

he also you also hear him repeatedly

25:06

saying

25:06

i need to call someone in the family i

25:09

Declaration of Linda Kingsland, Continued

need i need to call someone in the

25:10

family

25:11

he's thinking about christian's family

25:14

and wanting to let them know that this

25:17

tragedy

25:18

had occurred and they were out to eat

25:21

and i've heard it said that they were

25:24

out to eat

25:25

got the call and finished their meal

25:29

they got the call there's been a tragedy

25:32

christian

25:32

is deceased and they finished their meal

25:35

and then left

25:36

and didn't even go to christian's

25:38

apartment but that's a discussion for

25:39

another day

25:41

the behavior that you hear in these

25:43

calls in my opinion

25:44

are not the behavior of a couple of

Declaration of Linda Kingsland, Continued

25:47

co-conspirators

25:49

of a murder cover-up i hear genuine

25:51

concern

25:52

that he wanted to let christian's family

25:54

know what has transpired and i hear

25:56

genuine shock and horror

26:01

whitley is wailing she's absolutely

26:05

wailing

26:07

and i don't know how any of you

26:10

sycophants of rey have heard these

26:13

calls and failed to be empathetic

26:16

and in acknowledgment of the naked

26:18

gut-wrenching emotion

26:21

are you all emotionally tone deaf

26:25

you just you don't know real emotion

26:27

when you hear it you're just tone deaf

26:30

the noises that whitley is making in

26:32

those 911 calls that you hear her making

26:35

Declaration of Linda Kingsland, Continued

in the background are guttural

26:38

they're primordial they are the sounds

26:42

of shock and grief

26:44

that have been made a trillion times by

26:46

a trillion human beings

26:48

across this planet who have been forced

26:50

to look at sudden

26:52

death they are quite literally

26:55

the reverberations that come from the

26:57

soul of someone

26:59

who is in that very moment being deeply

27:02

traumatized and i promise

27:06

you that trauma seven years later

27:11

compiled with all the other trauma that

27:13

she's had to face

27:15

still festers in the soul of that young

27:18

lady

27:18

like her hate her i don't really care

27:21

you still have to be empathetic

Declaration of Linda Kingsland, Continued

27:23

to the trauma that she's been through

27:26

and

27:26

when rey terrorizes her tries to

27:30

publicly antagonize her

27:32

publicly shame her and embarrass her

27:36

and intimidate her and when you sick a

27:39

fence of rey

27:40

do that on rey's behalf

27:43

it's as though you're taking needle nose

27:46

twi

27:47

tweezers and you're just plucking and

27:50

stabbing

27:51

at that chronic wound

27:54

of trauma and that is in my opinion

27:58

a level of cruelty that cannot

28:01

and will not continue

28:07

now i'm not alone in what i'm

28:14

saying

28:31

Declaration of Linda Kingsland, Continued

because even the mississippi bureau of

28:33

investigation

28:34

agrees with me and i'm going to read to

28:37

you something from their report

28:42

investigators odom and welch briefed the

28:44

group on the case

28:46

benefited by a powerpoint presentation

28:49

with crime scene photos

28:50

an autopsy report and the 911 audio

28:54

recording

28:55

the seminar was detailed to analyzing

28:58

specific

28:59

areas of an investigation relating to

29:01

unsolved deaths

29:02

in order to formulate theories and work

29:04

through them to develop new leads

29:06

or resolve the investigations themselves

29:10

a portion of the material applied

29:14

throughout the week related to a block

Declaration of Linda Kingsland, Continued

29:16
of instruction entitled
29:18
quote is the caller the killer
29:21
geared toward analyzing 9-1-1 recordings
29:24
using known
29:24
patterns and anticipated deliveries
29:28
responses and emotional reads
29:32
after several reviews of the recording
29:35
there was a unanimous determination
29:39
that the 9-1-1 recording was a
29:41
reflection
29:43
of authentic relation to the event
29:46
under scrutiny it was believed
29:50
that dylan swearingen's call was genuine
29:53
and
29:54
not staged or intended to cover up
29:58
any facts
30:01
additionally the crime scene photos and
30:03
discussion of the items recovered at the
30:05

Declaration of Linda Kingsland, Continued

scene were deliberated

30:07

and detailed it was expressed that one

30:10

area of the crime scene that remained

30:11

puzzling was the lack of blood spatter

30:13

where it was expected if the scene was

30:15

not staged moved or cleaned after much

30:18

thought one of the coordinators stated

30:20

that christian's

30:21

hoodie needed to be examined to

30:23

determine if there was evidence of

30:24

projectile passing through

30:26

the hood and whether spatter was

30:28

contained in the hood attempts were

30:30

immediately made to locate the hoodie

30:31

and it was determined

30:32

that after the coroner's office

30:34

forwarded it to the funeral home it was

30:36

kept for a brief period and then

30:37

destroyed

Declaration of Linda Kingsland, Continued

30:40

because it went unclaimed by any party

30:46

furthermore it was explained that

30:47

according to responding officers the

30:49

handgun found under christian

30:51

a kimber 1911 style 45 caliber handgun

30:54

was found with the hammer in its

30:55

down position rather than a ready or

30:57

cocked position however

30:58

another round had been chambered as the

31:01

gun apparently cycled

31:02

agent weeks had offered after his review

31:04

of documentation documentation

31:06

from the meridian police department and

31:08

a local private investigator hired by

31:10

the family

31:10

to review the case blah blah blah why

31:12

was the hoodie not claimed

31:14

why didn't why didn't ray want the

31:16

Declaration of Linda Kingsland, Continued

hoodie

31:18

just out of curiosity

31:24

and now i'm going to go ahead and play

31:26

the interview that i had with dylan

31:30

so sit back and enjoy

32:22

hey dylan thank you so much for joining

32:25

me today

32:26

how are you hanging in there it's my

32:29

pleasure i'm doing all right how are you

32:30

doing

32:31

i'm doing pretty good i'm doing pretty

32:33

good been at work all day working hard

32:34

at this

32:36

so let's start uh with

32:39

go into your friendship with christian

32:41

for me set set a little bit of uh

32:44

a foundation for my listeners tell me

32:47

about your friendship with him

32:50

uh met christian back in high school um

Declaration of Linda Kingsland, Continued

32:53

he gave birth avery smith at the time

32:57

and me and avery smith was friends

33:00

because of a mutual friendship that we

33:02

got and that's how i'm a christian well

33:05

we started to hang out

33:07

and admit christian high school and

33:11

actually the first time i ever met

33:12

christian uh from the hospital bathroom

33:15

and christian walks in the bathroom and

33:18

he looks at me so what's up dude

33:19

so what's up and he grabs the garbage

33:21

bag

33:22

and he's got a bag of wheat and some

33:24

xanax and he throws it up under the

33:26

guard back

33:27

and that's the first time i ever met

33:29

christian

33:30

and how old was christian then

33:34

Declaration of Linda Kingsland, Continued

he was probably 17 18

33:37

we're on there and go into so

33:40

so he's 17 18 and you were friends for

33:42

about eight years then tell me a little

33:44

bit more about your friendship

33:46

tell me about christian himself

33:49

uh he's a real good guy give you the

33:51

shirt off his back

33:52

i mean i think he want to tell you that

33:54

um

33:56

he had a dark side to him that

34:00

i think he's had for a while now but

34:03

it was just something about family

34:06

affairs that just like brought out

34:08

another side of it

34:09

and i think that was something that he

34:11

was struggling with

34:14

elaborate on that a little bit that that

34:17

dark

Declaration of Linda Kingsland, Continued

34:19

basically he he had this fear that he

34:22

would never be able to

34:24

become what his mom wanted him to be or

34:28

his dad wanted him to be

34:29

um he kind of had like a rough

34:31

upbringing he told me he said

34:33

you know they were kind of poor at the

34:35

beginning i didn't have any money

34:38

and if you look at where they live now

34:41

compared to where they used to live

34:42

you can understand what he was talking

34:44

about today he was telling the truth and

34:47

i think that the money kind of didn't

34:49

really help him like new house that

34:51

wasn't nothing to him

34:52

he wasn't really materialistic i think

34:54

the only reason he would be

34:56

materialistic

34:56

Declaration of Linda Kingsland, Continued

was just kind of the not going to say

34:59

would show off but to kind of gloat what

35:01

he's got

35:02

because he came from nothing he always

35:04

wanted to be something

35:06

so i think that's kind of why he always

35:07

wanted to be like

35:09

you know the standout person like the

35:12

person that everyone sees like the life

35:14

of his party basement

35:17

it seems to me too that christian

35:20

was relationship seeking he put a lot of

35:23

importance

35:24

in this these relationships with these

35:26

girls

35:27

is that true yeah that's really true

35:31

uh what i've noticed is basically every

35:34

girl that he talked about like

35:35

relationship wise

Declaration of Linda Kingsland, Continued

35:37

was just a toxic relationship

35:40

like i noticed that they don't ever

35:44

bring that up and that's something that

35:46

really needs to be talked about because

35:49

the way that he acted really that

35:52

that's not something that's new you know

35:54

that's something that's normal to him

35:56

he would get upset and avery and

36:00

she won't admit it but i've seen where

36:02

he talked about killing himself

36:04

or killing someone else especially it

36:06

was really hostile

36:07

and it was always about a girl

36:11

you never thought about anything else

36:12

you know it was never like family issues

36:15

that was always a girl well i think it's

36:19

big it's it's glaringly apparent to me

36:21

that there was issues with

36:23

Declaration of Linda Kingsland, Continued

jealousy and controlling being

36:25

controlling

36:27

i i agree with you on that um

36:31

he always wanted to try to have whitley

36:33

where he wanted her

36:34

like he he wanted to basically be

36:38

the overseer of her there was no free

36:41

time for her he was the one that

36:43

he had to make sure where she was at all

36:45

times but

36:47

i think that was more alone due to like

36:49

relationship issues

36:50

i mean it wasn't all just him you know

36:55

couldn't control her what would his

36:57

response be what would his tactic

36:59

often be mostly shut down

37:03

you know he's gonna do something that

37:06

would

37:06

to a girl be scary but to a guy not be

Declaration of Linda Kingsland, Continued

37:09

as scary

37:10

so basically he can try to gain control

37:12

of the situation

37:14

which in example could be you know

37:16

talking crazy about

37:17

committing suicide killing himself

37:20

killing someone else

37:21

like i said earlier this isn't the first

37:23

time he's done that

37:25

and i hate to bring it up but i mean he

37:28

just needs to know

37:29

because you know as much as i love him i

37:32

can't

37:32

i can't hide how he really was

37:36

that's kind of what's got me in this

37:37

situation that i've been out

37:40

i dumbed myself down for my friends just

37:43

to be able to comfort them

37:46

Declaration of Linda Kingsland, Continued

like i'll i will go beyond above and

37:48

beyond

37:50

to uh you know to help them operate to

37:53

just kind of calm them down i'll go to

37:55

an extent to

37:57

doing something that i know is not

37:58

rational or logical

38:01

just to make sure that they're okay and

38:03

that's honestly how that position i am

38:06

well and he knew that about you he knew

38:08

you were kind of the rider guy

38:10

right like if he really needed for him

38:13

you would

38:13

right right probably because he knew

38:16

they're getting

38:19

what did he share with you what did he

38:22

relate to you

38:23

regarding his relationship with his mom

38:29

if you look at the documentaries and you

Declaration of Linda Kingsland, Continued

38:32

know all the

38:34

cultural podcasts and all that you think

38:36

him and his mom have a great

38:37

relationship

38:39

and that that's my heart here before the

38:41

editing of the videos and all that

38:43

but christian if i can say for todd and

38:47

josh i can vouch for them

38:48

i've seen christian you know hanging out

38:50

with them and

38:52

interacting with them and talking to

38:53

them

38:55

not so much you know i when i was

38:58

hanging out over there

38:59

i never saw ray and alexa involved with

39:02

stuff that like

39:03

him and todd and josh would be involved

39:06

with

39:08

Declaration of Linda Kingsland, Continued

what did christian relate to you though

39:10

about the dynamics between him and his

39:13

mom

39:15

basically she would ride him

39:18

about

39:21

he felt like he would never be able to

39:24

be at the level of success for her that

39:28

she was wrong they said he was trying

39:31

his hardest he was breaking his back

39:33

to be everything his mom wanted it to be

39:36

and

39:36

i think that that was kind of applying

39:38

pressure to him but it happened before

39:40

the job

39:41

you know i think this was something he

39:42

dealt with throughout his whole life

39:44

he always had to try to you know stand

39:47

out to get his mom's attention i guess

39:50

i guess that's where it comes from what

Declaration of Linda Kingsland, Continued

39:53

did he relay to you about his

39:54

relationship with his dad

39:58

him and his dad were pretty close um

40:02

i think him he made a statement one time

40:06

that he had a vehicle breakdown

40:08

on the side of the road and he had to

40:10

call todd to come get him

40:13

he said well once i got there i just

40:15

went to whooping his ass

40:16

and i was just like why did he look your

40:18

ass he said i just pissed him off

40:20

because i let the car run out of gas

40:22

and you know that kind of said something

40:23

to me you know he

40:26

was like physically harming him over a

40:28

little bit of gas so imagine what would

40:30

happen

40:30

you know if something serious would

40:32

Declaration of Linda Kingsland, Continued

happen

40:35

how old was christian during that

40:37

incident uh he was still in high school

40:40

surprise 17 18

40:41

possibly 19. i don't know how old he was

40:45

in high school

40:46

but he would make remarks about his dad

40:49

uh basically he was just trying to

40:53

control him was like some kind of

40:54

drug king thing and uh

40:58

i think that was something else that

41:00

might have kind of bothered me

41:03

so let's get into that a little bit more

41:07

so christian related to you that there

41:10

was

41:11

possible drug use

41:15

but i mean that anybody that really

41:17

knows him will tell you that he had a

41:20

drug problem when he was in high school

Declaration of Linda Kingsland, Continued

41:21

if they tell you that he didn't

41:23

relax well and that's kind of what i

41:26

want to go into

41:27

so the list of drugs that i have put

41:30

together

41:31

that have been relayed to me that

41:33

christian dabbled with

41:35

in high school even as young as age 13

41:39

were xanax adderall hydrocodone meth

41:42

ecstasy

41:43

and alcohol do you think his parents

41:47

knew

41:48

that he was dabbling in some of these

41:51

are

41:51

very serious psychotropic some of them

41:53

are street drugs do you think his

41:54

parents knew that he was dabbling in

41:56

this

41:58

Declaration of Linda Kingsland, Continued

they were aware of it but they're not

42:00

going gonna acknowledge it to somebody

42:03

you know but everybody they they know

42:06

that they had saved him a bunch of times

42:08

from getting arrested for drug-related

42:10

offenses

42:11

and he's not gonna tell you that because

42:14

he's just one of the guys that

42:16

you ever exaggerate in order to seem you

42:19

know cool

42:20

or relevant and i don't mean that in a

42:22

bad way i mean he was my friend so

42:24

that's why i never said anything about

42:26

but it looked like he was thinking for

42:27

validation

42:29

more than anything like he wanted to be

42:33

you know i don't know especially

42:36

accepted

42:38

and he can do whatever like if he asked

Declaration of Linda Kingsland, Continued

42:40

me when chris was crazy

42:41

he did anything you guys can do you know

42:43

like if you've done something

42:46

outlandish and wild he's going to have

42:48

to try to talk to times too

42:50

like he wants to get the center of

42:51

attention and

42:53

i think that's why a lot of people liked

42:55

him because he would go so out of his

42:56

way

42:57

you know to make people laugh and feel

42:58

confident

43:00

would you say to a certain extent that

43:02

christian was

43:04

impulsive

43:07

yeah i would say so yeah

43:10

would you say that he went through

43:11

periods of depression

43:14

Declaration of Linda Kingsland, Continued

absolutely and would you agree
43:17
that he had in the past made statements
43:20
about self-harm
43:22
oh yeah from high school love from from
43:26
high school on
43:27
do you think his parents were aware of
43:29
the statements he made about harming
43:30
himself in high school
43:34
i think that maybe avery might have sent
43:36
him screenshots or something you know
43:38
saying hey someone sent me this you know
43:40
stuff like that
43:42
but i think they're aware of it
43:46
i mean i think she knew because he
43:48
claimed to be pretty open with her that
43:50
you know when he did communicate with it
43:52
he said he could kind of tell her
43:54
whatever
43:55
and you know she wouldn't freak out on

Declaration of Linda Kingsland, Continued

43:57

it

43:59

what do you mean right with his mom what

44:02

do you miss the most about

44:04

your friend christian uh

44:08

probably like my penis

44:11

my accent but he would just love to go

44:13

do something at random

44:15

and he just picked me up and with me

44:20

and we would just ride around and we

44:22

would get into something it didn't

44:23

matter

44:24

like if we didn't have anything planned

44:25

we would always have something planned

44:27

by the end of the night we just have fun

44:31

give me one memory that stands out

44:35

uh probably the

44:40

the geyser falls memory or

44:44

probably the night that we had back to

44:47

Declaration of Linda Kingsland, Continued

struck into a car

44:49

he had a huge truck and we've actually

44:51

monster trucks on gas car

44:53

at a party one night that was pretty

44:55

crazy

44:58

and he backed his truck up into

44:59

someone's car well i was driving it

45:02

he wanted me to drive because he was on

45:03

episodes and he had been drinking

45:05

crown and he was just tore up and that

45:08

was the night that he

45:09

cheated on whitley actually and now

45:13

yeah and there was cheating going on on

45:15

both sides i mean this was

45:17

oh yeah it wasn't it wasn't a one-sided

45:19

thing by another man

45:20

yeah because he he had a side chick

45:23

down in vicksburg because he had told me

45:25

about and

Declaration of Linda Kingsland, Continued

45:27

todd had clarified that on uh

45:36

what do you know about christian's

45:40

claims that he accessed his mother's

45:44

notes regarding whitley to

45:47

read things about whitley it wasn't just

45:49

whitley

45:50

uh he he referred to doing that to uh

45:53

avery too

45:54

he said basically he would just log on

45:56

to his mom's computer and he would get

45:58

through her notes read my stuff you know

46:00

his mom is the um

46:04

what is it something

46:07

she does she does like you know bear for

46:09

your counseling or whatever

46:11

and um she saw me one time actually

46:14

and if you check the case files you see

46:16

what she texted christian

46:18

Declaration of Linda Kingsland, Continued

asking if dylan's stranger was drug

46:20

seeking that i was coming to see her i

46:22

had an appointment

46:24

but you know that's a hyper violation

46:26

yeah but she's involved in her son

46:28

and exactly and someone else you know

46:31

counseling and

46:32

sessions and stuff and speaking of

46:35

crossing boundaries

46:37

what do you know about rey having

46:39

whitley spied on

46:42

for christian and sort of involving

46:44

herself

46:45

in an unhealthy level in that

46:47

relationship

46:49

i think seeing he used to get me to get

46:51

up in the middle of the night he would

46:53

call me while he was on the bike and

46:54

said

Declaration of Linda Kingsland, Continued

46:55

mind writing past with me i was just

46:57

like yeah whatever

46:59

and because i mean he's he was always

47:01

good to me

47:02

and i know that if i was to call him

47:05

and he'd be back i think he would have

47:07

done it for me

47:08

and basically that was just my way of

47:10

repainting him because like any time he

47:12

called me he knew that i was

47:13

you know right there

47:17

so you think he asked his mom to spy on

47:20

her

47:21

oh yeah i think really i think more

47:24

along the lines is that it was ray

47:26

herself looking to

47:27

i think it was more along like she

47:30

didn't like whitley

47:31

Declaration of Linda Kingsland, Continued

is very obvious and um

47:36

i think that she done that just to try

47:38

to find something that she might could

47:39

have used against willie

47:40

but christian himself you know had a

47:43

little tracker on the phone where they

47:44

could see each other like a

47:46

satellite image of their location

47:48

everything

47:49

um it was very toxic like the

47:52

relationship was so good

47:53

you know it was they just deadly kept it

47:56

going

47:57

um i don't know it's

48:01

i don't i don't like speaking on it's

48:02

not my place to speak

48:04

what do you know about the christmas

48:06

thing

48:08

ray not wanting ray not letting

Declaration of Linda Kingsland, Continued

48:10

christian come for christmas

48:12

because he was with whitley

48:15

i wasn't aware that that doesn't

48:17

surprise me because they

48:18

told a lot of people that um i wasn't

48:21

welcome to the funeral

48:22

and that i didn't come to funeral but i

48:24

was in i was probably like the

48:26

third or fourth q back from the door at

48:29

the funeral they saw me and everything

48:31

but they told everyone that i didn't

48:32

come to the funeral and that i wasn't

48:34

welcome

48:34

if i came that i could be escorted out

48:36

and all this other stuff

48:38

i have a screenshot of josh claiming

48:40

that you weren't at the funeral and you

48:42

weren't at the burial but you absolutely

48:44

Declaration of Linda Kingsland, Continued

were

48:44

you were at both right right right yeah

48:46

i remember when he was there

48:48

yeah he was made um he was there's a

48:51

church off of bentonville coliseum

48:53

right and that is the

48:56

road that he was buried on i can't

48:58

remember what that church is um

49:00

something what is the reason

49:04

what would be the reason for them to lie

49:07

to people

49:08

about you not being there what's the

49:10

reason

49:13

they want to paint a picture of me as

49:16

some kind of

49:17

illiterate gang-banging drug dealing

49:20

thug

49:21

which isn't possible if you if you

49:23

listen to the way that i talk and the

Declaration of Linda Kingsland, Continued

49:25

way i present myself

49:27

i don't even act like that i mean i i

49:30

remember one time that they

49:32

they took a bunch of my tweets off my

49:34

twitter from when i was really

49:36

about 2021 and i pushed a lot of rap

49:39

lyrics

49:40

because i like listening around and they

49:42

took all those tweets and just ran with

49:44

it they said that every one of those

49:46

tweets i was living in real life

49:47

you know i was running guns with the

49:50

chief of police and meridian

49:52

i heard oh you know i was weakly

49:54

desperate

49:55

i can't tell you how many times i've got

49:57

a message where someone said

49:59

hey you know you're a piece of [__] i

50:02

Declaration of Linda Kingsland, Continued

hope you die and you rot in hell
50:04
some people would bring up my child
50:05
they'd be like i can't believe you have
50:07
a child
50:07
that you don't even need to be a father
50:09
in his life and you know they'll just
50:11
take direct stab
50:12
stuff i've got a lot of screenshots to
50:14
that stuff
50:16
and i can send them in to you
50:20
what do you what do you think christian
50:23
would say about the way his family
50:26
has gone after you and whitley in the
50:28
wake of his death
50:31
his stomach if he knew that his mom was
50:34
drawing this much attention
50:36
especially to whitley and me oh my god
50:39
he'd be
50:40
he's probably rolled over his grave

Declaration of Linda Kingsland, Continued

50:41

literally

50:44

this would be hurtful to him right

50:46

knowing that there's been

50:47

seven years that this this has become a

50:50

battleground as i described it in my

50:52

last episode literally they have

50:55

people at war with one another and the

50:58

ripple effect of the pain

51:01

that has been caused in

51:04

both you and whitley and many many

51:08

people

51:08

in the past couple of days i've spoken

51:10

to so many people

51:12

who have been harassed they've been

51:15

tormented

51:17

and i that's kind of what i want to go

51:19

into

51:21

let's go into some of that harassment

51:23

Declaration of Linda Kingsland, Continued

can you lay some of that out for me

51:25

what all have you been through in the

51:27

wake of this

51:29

um

51:33

i've been i've actually been stalked

51:36

by uh about some private investigators

51:39

out of texas they would just

51:40

bother me with me they would not leave

51:42

me alone

51:44

um one of them was

51:47

mark the lesbian celebrity stuff like

51:49

that

51:51

basically he thought he was like the 20

51:54

21

51:55

walker texas ranger you know he he came

51:58

up from texas i looked out my window one

52:00

day

52:01

and there's a camera crew there and i

52:03

was like that's kind of weird

Declaration of Linda Kingsland, Continued

52:05

i looked outside and saw tahoe a bunch

52:08

of big mexicans in the camera crew

52:10

and i hear a knock on the door and i

52:13

look at the people and it's

52:15

mark the whispy i don't like it but

52:18

he's riding on my door well i go sit

52:21

back down i finish watching tv

52:23

no he's still knocking on the door

52:24

because i don't know who he is at the

52:26

time

52:27

well my girlfriend at the time comes

52:29

home and i was like hey when you walk in

52:32

you know there's a camera crew outside

52:33

watch out for him

52:35

and she walks in and she changes her

52:38

clothes and

52:39

she's about to leave come on

52:48

wow dylan you cut out yeah you cut out a

52:51

Declaration of Linda Kingsland, Continued

little bit

52:53

the last thing i heard was your

52:54

girlfriend changing her clothes

52:57

hello yeah yeah i'm here can you hear me

53:04

yep he resets his audio he'll be right

53:08

back

53:10

you guys in chat please save the

53:12

arguments for after

53:15

please i mean you're screeching and

53:17

beaking your arguments in chat

53:20

and i'm i can't respond to them so save

53:22

them for when i can

53:25

and boston actress knock it off in chat

53:29

stop with the rumors

53:38

okay there yeah

53:43

yeah okay last i heard was your

53:46

girlfriend

53:46

was changing her clothes uh you had mark

53:48

gillespie banging on your door

Declaration of Linda Kingsland, Continued

53:51

okay uh after he quit knocking on the

53:54

door he walks out to the parking lot

53:56

and um girlfriend time comes in and i

53:59

was like you know why

54:01

the camera crew outside you know don't

54:03

let them you know jam you up or anything

54:06

um anyway

54:10

i'm sorry anyway uh she comes home she

54:13

changes clothes she's like

54:14

i'm gonna leave and see if they'll

54:16

follow me he said all right cool

54:18

because they still don't know at this

54:20

point that i'm inside the house

54:21

well she walks outside she sees the

54:24

tires just sitting there with all the

54:26

people in it

54:26

and she gets in the car with a friend of

54:29

mine at the time

54:30

Declaration of Linda Kingsland, Continued

and they drive off well

54:34

mark follows them they had two vehicles

54:36

i didn't know that they had two vehicles

54:38

at the time well mark

54:39

is following my girlfriend at the time

54:41

around town

54:43

like chasing them basically and then

54:45

they pull into a local

54:46

like fast food place and they pull in

54:48

and drive through and pull into like a

54:50

little parking spot

54:51

well mark pulls up and he's just like

54:55

asking where's dylan at take me to dylan

54:58

and he's just doing it in like a

55:02

a threatening way i guess you know

55:05

you could tell he's up to something

55:06

nefarious but

55:09

i didn't like i said i didn't know who

55:10

he was at the time all i know is there's

Declaration of Linda Kingsland, Continued

55:12

some random guy

55:14

with uh walker texas ranger blazer on

55:18

chasing me in my girlfriend around and

55:20

they're like i have no idea who he is

55:21

and then come to find out he marched

55:23

lefty

55:24

and he was hiding with ray and

55:28

wasaki sabi

55:31

so essentially ray pays people to stalk

55:35

and harass you

55:36

and the people that are around you your

55:38

girlfriend

55:39

right she she does that because she's

55:42

trying to make it to where her hands are

55:44

clean

55:45

but anyone with you know a decent amount

55:47

of sense could look at

55:49

you know certain things and tell hey i

55:50

Declaration of Linda Kingsland, Continued

think it's in control

55:52

but she's got this whole little

55:54

cult-like

55:55

mentality with these people over there

55:57

that justice for christian

55:59

like i sit there and people send me

56:02

stuff every once in a while

56:03

like what's all in there and the stuff

56:05

that they post that is just

56:07

outright lies is probably like 75

56:10

compared to 25 percent of actual truth

56:14

and half the time when they're posting

56:16

that 25 of truth

56:18

it's something that's fabricated and you

56:20

know complete just [__]

56:23

i've never seen anything like that no i

56:26

believe me i have and i'm going to start

56:28

taking these people to task believe me

56:30

i'm just getting started

Declaration of Linda Kingsland, Continued

56:32

on those people in the justice for

56:33

christian group but what else

56:35

take me through what else what have you

56:37

been harassed while you're out driving

56:40

around what

56:40

what has life been like for you that

56:43

town

56:45

people people have made a bunch of

56:47

comments

56:48

talking about um we know where he works

56:52

we'll go to his work and

56:53

you know get him there and blah blah

56:55

blah they just constantly got online and

56:58

mentioned harassing me

57:00

and i was getting at least three or four

57:04

messages a week from people i didn't

57:06

know out of different states talking

57:08

about

57:09

Declaration of Linda Kingsland, Continued

rotten hell you murdering pieces of [__]

57:11

you know stuff like that

57:13

and basically

57:16

as far as locally you know

57:19

we had a situation at a cane's

57:22

restaurant

57:24

and that was involved with the lakefront

57:27

josh

57:29

and they pressed charges on me for that

57:31

uh simple assault charges

57:34

they swing through the window and start

57:35

it and then follow

57:37

them without charge saying that i

57:38

started it

57:40

alex even filed a simple assault charge

57:42

trying to say that somebody tried to

57:43

hurt her or something

57:44

she was in the car the whole time hot

57:49

was there a situation with todd also

Declaration of Linda Kingsland, Continued

57:52

with a vehicle

57:53

yeah yeah uh one time when i was still i

57:56

used to live next door to ray

57:58

she was my neighbor and i leave one more

58:01

to go to work

58:02

and i see fire behind me but i didn't

58:04

know it was todd at the time

58:05

and i don't ever go out of my way to

58:07

talk to these people you know they're

58:08

always trying to flag me down and talk

58:10

to me

58:11

i've been making out like i harassed

58:12

them i haven't even talked to them

58:14

people

58:15

like they're crazy as hell they have

58:17

lost their mind they're off the rocker

58:19

um basically he

58:22

i'm driving by you know like my little

58:25

Declaration of Linda Kingsland, Continued

neighborhood

58:26

and he pulls me over and he just goes

58:29

yelling out the window

58:30

you know he's got this deep southern

58:31

accent so he sounds stupid every time we

58:33

talk

58:34

but he said uh you're going to jail the

58:37

rest of your life

58:38

i was like dude i pulled over and i got

58:41

my camera on just in case you know he

58:43

does something stupid i got proof

58:45

he's are you going to jail the rest of

58:46

your life we got jerry branson he's

58:48

going to do luminol testing you're going

58:49

to prison

58:51

i was like all right and i cut my camera

58:54

off and i just pulled off you know

58:56

casually

58:57

and i i never heard anything else from

Declaration of Linda Kingsland, Continued

59:01

what i did think was weird though is

59:03

actually one time when i pulled downtown

59:05

josh has moved down to front street

59:08

where one of my uh friends at the time

59:12

was living

59:13

and i parked my car out there one daddy

59:16

and josh takes me to get out of it well

59:19

at the time all four tires were

59:21

perfectly fine

59:22

he sees me get out of my car i go there

59:23

for about 45 minutes when i come back

59:25

down and my tire is completely flat

59:27

where's the stabbing on the side

59:30

but they don't know who done it you know

59:34

yeah you had said to me

59:37

um that you have heard

59:42

ray has said to people that she knows

59:45

you didn't do anything wrong

59:46

Declaration of Linda Kingsland, Continued

she knows that you're innocent but

59:50

her tactic is to accuse you of being

59:53

involved both publicly on social media

59:55

to put pressure on you right she she

59:59

thinks that her exact words to somebody

60:01

was

60:02

we don't think dylan did but if we apply

60:04

enough pressure he'll say something

60:06

you know that would explain what

60:07

happened

60:10

well she she wants she wants you to tell

60:13

her what she wants to

60:14

hear well see she would pay people

60:17

uh pretty often to start stuff like the

60:20

the video with jordan edwards she knows

60:23

admitting they're

60:24

actually recanting her statement her

60:26

first statement um

60:29

she paid lauren harrison like six

Declaration of Linda Kingsland, Continued

60:31

hundred dollars lauren came up to me one

60:33

night

60:33

she knocked on my apartment door she was

60:35

just bawling her eyes out i'm sorry i'm

60:37

sorry i was like what are you talking

60:38

about

60:39

and she was like ray paid me six hundred

60:41

dollars to uh

60:42

to go out here and start all this stuff

60:44

on facebook my jaw just kind of dropped

60:46

i was like

60:47

excuse me and she told me again i was

60:50

like

60:51

you're lying to me just like no i'm

60:52

being serious and she just started

60:54

bawling crying again she was like i'm so

60:56

sorry i've done that to you

60:57

i was like you know you're forgiven just

60:59

Declaration of Linda Kingsland, Continued

go ahead it just kind of blew my mind

61:01

that she

61:02

had went that you know that route

61:05

and what did she have lauren harrison

61:07

posting what what is it oh

61:14

she was just basically whatever you know

61:16

anything she could say that would draw

61:18

attention

61:19

to the whole christian thing just you

61:22

know

61:23

basically like crazy outlander

61:25

statements

61:26

you know normal i think for these people

61:29

right things that uh are not necessarily

61:32

true

61:34

oh i i've seen i've seen shiloh

61:38

or whatever her name is i seen her put

61:40

my name

61:41

in quote like put a quote in quotation

Declaration of Linda Kingsland, Continued

61:44

marks with my name at the end that's the

61:45

person that said it

61:46

and i've never said it

61:50

who did this she what wasaki or oh

61:53

she was lucky yeah yeah she

61:56

she made a bunch of comments where she

61:58

said that i said this and that

62:00

and that stuff was never said um

62:03

really out of all the investigators she

62:05

was the biggest joke

62:07

uh she her claim to fame is that she

62:11

applied pressure to the police

62:12

department style different murder

62:15

um a lot of people say you know that was

62:18

locally there said that she just

62:19

basically went crazy which i could

62:21

understand you lost your friend

62:22

and they said that she just bugged a lot

62:24

Declaration of Linda Kingsland, Continued

of the police and then eventually
62:26
i don't know some other stuff happened
62:28
but that's her claim to fame
62:30
and she saw that ray and ty were
62:32
grieving
62:33
and she knew they had a dollar sign in
62:34
front of them
62:36
they tore them up like
62:40
the amount of people that i talked to is
62:42
ridiculous i know dale jones i talked to
62:44
him
62:45
uh mark tried to talk to me multiple
62:48
times they left uh
62:49
they left a card on one of my old cars i
62:51
had two vehicles
62:52
i used to leave one parked on the other
62:54
side of the apartment complex
62:56
i never drove it well i walked over one
62:58
day and they had left a piece of paper

Declaration of Linda Kingsland, Continued

63:00

or like a little card business card on

63:02

my window that says

63:04

please get in contact with us we would

63:05

really like to talk to you

63:09

yeah and then actually lately uh

63:12

whitley they're claiming to be whitley's

63:15

uh lawyer

63:17

it's ray's lawyer ray's lawyer has been

63:19

going around acting like whitley's

63:20

lawyer and calling people and trying to

63:22

um

63:24

get them to talk about the situation

63:27

and i thought that was pretty crazy you

63:29

know he's impersonating someone else's

63:31

lawyer

63:33

well yeah i mean it goes to the to the

63:36

point that the overarching point that

63:38

i've been trying to make

63:40

Declaration of Linda Kingsland, Continued

about crossing boundaries doing very

63:43

unethical things

63:44

and i'm going to be pointing out tonight

63:46

in the show

63:48

another person who was bribed

63:51

by ray to make

63:55

false statements and then i have another

63:59

girl i'm talking to michaela

64:01

who was um they tried to get a

64:06

a guy named hunter to get her drunk to

64:09

get her

64:10

yeah kylo she's she's good people yeah

64:13

yeah she is i've been talking to her and

64:15

and the bottom line here

64:16

is none of that would be admissible

64:19

so statements got when a young girl has

64:21

been gotten drunk or statements that

64:23

have been purchased

64:24

statements that have been bribed none of

Declaration of Linda Kingsland, Continued

64:27

that's admissible

64:28

so i i i i'm just i'm at a loss

64:32

as to what this family thinks they're

64:34

accomplishing

64:35

and i watched the 48 hours special did

64:38

have you watched that yet

64:41

i haven't no well you need to

64:44

and i watched it last night and

64:48

i just gritting my teeth you know hope

64:51

the whole time

64:52

because of all of these important

64:54

elements that are left out now i get it

64:57

they only have

64:58

like about an hour okay or 43 minutes or

65:01

however much they put

65:02

into the episode but it was so

65:04

completely one-sided just like

65:07

kendall ray who i'm going to be taking

65:09

Declaration of Linda Kingsland, Continued

to task

65:10

i'm going to be taking kendall ray to

65:12

test i'm going to be taking 48 hours to

65:14

test

65:14

crime watch culpable all of these people

65:17

i'm going to be tearing

65:18

into them but it's this incredible

65:21

one-sidedness

65:23

and i don't know about you but i look at

65:25

people's patterns

65:26

and i see that ray and todd have a

65:29

pattern

65:30

of bribing people with drugs and money

65:33

they have a pattern and money and they

65:36

have a pattern

65:38

of um trying to solicit

65:42

statements out of people via very

65:44

nefarious

65:46

means getting someone drunk are you

Declaration of Linda Kingsland, Continued

65:48

kidding me

65:49

and and the and the problem for them is

65:51

all of this is very well documented

65:53

there's proof of all of it so there's no

65:55

way to deny it

65:56

right i mean you yourself have proof of

65:59

this

66:00

right i mean like this is

66:03

this is something that i think needs to

66:05

be said

66:08

but people think that they're getting

66:10

quote

66:12

unquote justice for christian um

66:16

just to let these people know that from

66:18

uh from somebody who knows him

66:19

personally

66:21

if he knew that these people were

66:22

reacting the way they were

66:25

Declaration of Linda Kingsland, Continued

i think that the situation would be

66:27

worse than it is now

66:29

there's no way he would tolerate this

66:33

well i've said this to you this is

66:35

no way to honor

66:37

someone who's gone i mean even

66:40

if you feel even if his parents

66:44

and his family feel in their hearts that

66:47

they

66:48

have been denied some measure of justice

66:52

their behavior is inexcusable

66:55

what they've put people through is

66:57

excusable the ripple

66:58

and and that's another thing i want to

67:00

go back and touch on with you

67:03

how has christian the loss of him and

67:06

the fact that you you said something

67:08

very profound to me

67:10

you said he made a choice he made a

Declaration of Linda Kingsland, Continued

67:13

terrible choice

67:15

how has that affected you what walk me

67:18

through how that has affected you

67:21

uh basically i didn't understand why he

67:23

did it like

67:26

you know we were on

67:37

yeah i'm losing you again

67:44

and he'll be back

68:24

okay dylan go ahead pick up where you

68:26

left off

68:28

i'm sorry what was the question people

68:30

keep calling me i'm sorry

68:34

um the question is how has the lost

68:37

christian christians you you said it to

68:40

me that you made it

68:42

how how has that affected you walk me

68:45

through how that's

68:46

the toll that that's taken on you

68:50

Declaration of Linda Kingsland, Continued

basically um

68:54

ever since this happened i never really

68:56

understood why he had to take that

68:57

out because

69:01

i mean he had it made like he he had

69:05

a good job you know he has nice vehicles

69:08

but like i tried to say earlier he

69:10

wasn't a materialistic person the only

69:11

reason he bought

69:12

materialistic things was he was seeking

69:15

validation

69:16

you know he wanted somebody to to accept

69:19

him

69:20

and i never understood that because i

69:22

mean you know with him just being

69:23

himself that was

69:24

that's kind of why i liked him because

69:26

he was just wild and crazy he would

69:28

he was down to do anything that you

Declaration of Linda Kingsland, Continued

69:30

wanted to do well now he's gone

69:32

you know it's not the thing like

69:35

going to sleep at night and realizing

69:38

that no matter what you do

69:40

no matter how hard you pray you ain't

69:42

coming back

69:44

you know and that's something to deal

69:46

with but you can do

69:47

anything you want to and you can try and

69:51

tell yourself whatever you want to to

69:53

keep you pumped and motivated

69:55

but at the end of the day he's not

69:57

coming back

69:58

you know and i think that's hit a lot of

70:02

people the wrong way

70:03

and some people just couldn't handle it

70:05

and

70:06

i don't think it's you know it has to be

70:08

Declaration of Linda Kingsland, Continued

said who i think couldn't handle it they

70:10

just ran off whatever

70:11

they thought was right because their

70:14

baby wouldn't do that well

70:16

their baby was somebody else that they

70:18

didn't know

70:19

you know i don't know why they started

70:22

painting myself between person and like

70:23

i said i hate saying this stuff

70:26

but i mean that was my best friend

70:28

regardless i didn't care if he actually

70:30

liked that or not i'm still gonna ride

70:31

with him

70:32

and i think after he died

70:36

a lot of people were trying to figure

70:38

out why he'd done it

70:39

it kind of took some people for a

70:40

surprise but

70:43

it's just hard to deal with because

Declaration of Linda Kingsland, Continued

70:46

i've spent a bunch of nights you know

70:48

just praying and praying i was like you

70:50

know

70:50

i wish he could come back he's not

70:54

but dylan you were you were there we're

70:56

not going to go into the events of that

70:58

day but

70:59

you faced a very serious

71:03

traumatic incident you found your friend

71:08

deceased in a really horrible way what

71:10

how has that affected you

71:12

i know this is hard for you i know it's

71:14

hard for you to open up about this but

71:16

how has that affected you

71:18

talk to me about talk to me about the

71:21

depression

71:22

and the sadness and

71:25

tell me really how how it's affected you

71:30

Declaration of Linda Kingsland, Continued

um honestly

71:33

if for the past seven years

71:37

you know it's been rough but like 2017

71:40

is when it really kicked out

71:42

um i don't know how they explain how it

71:46

really

71:47

took over me i mean it took me over i

71:49

guess but

71:51

it's the hardest [__] i've ever dealt

71:53

with you know like

71:55

you saw somebody that you know he was

71:58

like your brother

71:59

you know you could call him you could

72:01

talk to him about whatever you know

72:03

we basically just had like a little

72:04

little brother thing like

72:06

i knew i could call him he knew you

72:08

could call me and

72:10

for me now that'd be rare because all my

Declaration of Linda Kingsland, Continued

72:12

friends turned on me

72:14

you know i had friends that the night

72:17

i went to sleep one night and i woke up

72:19

the next morning and one of my best

72:21

friends

72:22

that i've known for years was posting

72:24

calling me a murderer

72:26

and it kind of stopped me i was like wow

72:29

you know i didn't think you know my

72:31

friends would do that to me

72:33

and throughout this whole this whole

72:35

process

72:37

all these people are trying to turn back

72:39

on me they've tried to

72:40

set me up because they think that i've

72:42

actually you know

72:44

hurt somebody they believe stuff that

72:46

they see

72:48

Declaration of Linda Kingsland, Continued

and i just kind of had to leave them in
72:50

the past and that's that's kind of been
72:51

a hard thing for me to do
72:53

but now that i think about it when i sit
72:56

back and i look at them i realize why i
72:57

had to leave and they weren't doing it
72:59

they weren't doing anything positive
73:00

with me and my wife oh it was negative
73:02

things
73:04

and i don't know it just kind of makes
73:07

me miss christian because every time he
73:08

got off the boat we were always going to
73:10

just

73:11

like whether it be me and him or meet
73:13

him and whitley we were going to do
73:15

something
73:16

um so i think what you i think what
73:19

you're saying to me what i hear you
73:21

saying to me is it's hard to get out i

Declaration of Linda Kingsland, Continued

73:23

know i know sometimes i might be all

73:24

over the place it's just

73:26

it's been a long a long seven years and

73:29

it's hard to

73:30

you know verbally explain how you feel

73:33

because like

73:34

i basically had my my heart ripped out

73:36

my chest you know what i mean

73:38

yeah and then the conversations i've had

73:39

with you

73:41

i hear someone who's very beaten down i

73:43

hear someone who um

73:48

you've had it i think you've you've

73:50

absolutely had it you've had it

73:52

with the uh speculations and the lies

73:56

that have been told about you

73:58

you've had it with the harassment that

73:59

you've had to face because of

74:01

Declaration of Linda Kingsland, Continued

christian's family

74:03

and you just want your life back you you

74:06

didn't

74:07

you didn't cause this you're not to

74:09

blame for the choice that christian made

74:12

and i know that it's got to be really

74:14

hard for you

74:17

to keep reminding yourself that the

74:20

things that are said to us the abusive

74:22

and cruel things that are said to you

74:24

whether you think so or not they become

74:26

a part of your internal dialogue

74:29

and you probably hear them in your brain

74:31

long after you read them and people can

74:33

be incredibly cruel

74:35

trust me i know and

74:38

i hear a young man who seven years now

74:41

the enormous

74:42

toll and this is this is what i was

Declaration of Linda Kingsland, Continued

74:44

talking about

74:45

with the ripple effect the enormous toll

74:48

that this has taken on you

74:51

uh not even to say the the toll that

74:53

it's taken on on whitley

74:55

and i'm going to be going into that um

75:01

i'm i'm sorry that this has been done to

75:03

you well one of my biggest concerns

75:06

is how they done my family you know it's

75:09

one thing to

75:10

speak on me and you know take shots at

75:12

me i can sit there and take them

75:14

but they want to start mentioning people

75:17

that have got nothing to do with it

75:19

that you know get a little more personal

75:22

and

75:22

i told you you know the last time we

75:25

talked

75:25

Declaration of Linda Kingsland, Continued

what really bothers me the most i got

75:27

everything

75:29

and that situation is something that i

75:32

struggle with every day

75:33

i don't if that ever happens i don't

75:36

know how i'll react

75:39

yeah yeah

75:43

it's rough because those people they

75:44

don't care

75:46

they want we're ruthless savages there's

75:48

people right there they're cold-hearted

75:51

cold hearted well and that's that's what

75:54

i'm saying

75:55

you went through a very traumatic thing

75:57

that day

75:59

um have you gotten the care you need to

76:02

address

76:02

that i mean you may very well have ptsd

76:06

dylan i mean you've been through a very

Declaration of Linda Kingsland, Continued

76:08

true i've been i've been diagnosed with

76:10

chronic ptsd

76:12

but see the funny part is here's the

76:14

crazy part

76:15

when i tried to get counseling and

76:17

meridian i had

76:19

one counselor like one therapist that i

76:21

could go see

76:22

everyone else wouldn't see me because of

76:24

a conflict of interest due to

76:26

ray andrakia

76:30

so yeah that was the crazy part that's

76:32

the craziest thing yeah

76:35

but the lady that i did meet she's a

76:37

good lady i appreciate everything she's

76:39

done

76:40

she's helped me um but

76:44

due to the like the amount of time that

76:47

Declaration of Linda Kingsland, Continued

i've had

76:48

to sit there and i had to learn how to

76:52

to cut the switch on and off my emotions

76:55

because i've got people

76:57

that look at me and their energy is

77:00

gonna go off of my energy so

77:02

if i'm out here and i'm beat down and

77:04

broken looking abused

77:07

they're gonna be worried about me and

77:09

they're gonna be upset about me

77:10

so i had to learn to be able to take

77:12

those negative you know

77:13

and their sad feelings and i had to

77:16

learn how to make something out of it to

77:17

where i could pet myself

77:18

up around those people so they wouldn't

77:20

be worried about me that's probably one

77:22

of the hardest things i've had to deal

77:23

with is being able to hide my emotions

Declaration of Linda Kingsland, Continued

77:26

and it really makes you susceptible to

77:30

like an emotional like out not an

77:32

outbreak but like a

77:34

a freak out i guess you think because

77:36

your emotions are so built up

77:38

and i can't tell you how many times i

77:41

had to

77:43

let a two or two maybe three tears out

77:45

and i had to tell myself all right here

77:46

they come

77:47

you know get stuff together and

77:50

that's really about hawking for me to

77:52

deal with i don't think people

77:54

understand the severity of the person i

77:56

hear a lot of people on facebook

77:58

make comments about their study press

78:00

and it'll be something

78:01

you know really really small stupid and

78:05

Declaration of Linda Kingsland, Continued

i don't think people really understand

78:07

that because as far as like me

78:09

speaking from personal christian took me

78:12

down through there

78:14

it tore me apart it made me the person i

78:16

am today

78:17

i'm kind of it's like a love-hate

78:19

relationship with it because i'm glad it

78:20

happened

78:21

but i hate that it happened at the same

78:23

time because i wouldn't be the person i

78:24

am today

78:25

and you had lost another friend prior

78:28

to yeah and and so

78:32

you've really been through the ringer

78:33

with losing people that you care about

78:35

and that were close to you and

78:39

i just want to say to you that you need

78:42

to i hope your therapist is walking you

Declaration of Linda Kingsland, Continued

78:45

through that

78:46

getting in touch with those emotions not

78:48

suppressing them

78:49

facing them head on dealing with them

78:52

and overcoming but i can't

78:56

even begin to imagine dealing with that

79:00

okay just on a practical level dealing

79:02

with your ptsd of finding christian

79:05

and then on top of it the harassment on

79:08

social media

79:09

and in your community you've had it

79:11

combing a double whammy

79:14

at you and i'm worried about you

79:18

i'm worried about the toll that this has

79:20

taken on you um

79:22

but at the same time like i said to you

79:24

the other night help has arrived

79:26

i'm here and i've got i greatly

79:30

Declaration of Linda Kingsland, Continued

appreciate it um

79:32

i hope that throughout this whole little

79:35

sorry

79:36

no i said i believe in you i do i really

79:39

do

79:39

i i just hope through this whole process

79:42

that i can kind of i'm gonna give you

79:43

some stuff and let you kind of release

79:45

it

79:46

uh my main thing with this is

79:49

if anything if anybody that takes

79:51

anything from this whole conversation

79:53

is please don't follow the narrative

79:56

you know open your eyes and and look for

79:59

yourself don't let someone else tell you

80:01

what to look for you need to look for

80:02

yourself because a lot of people are

80:04

being leave

80:04

you know to be led in the wrong way and

Declaration of Linda Kingsland, Continued

80:08

i hope that if anything

80:10

we can at least change that because

80:12

these people are being lied to

80:14

you know like just straight lines yep

80:17

and i agree with you and dylan

80:19

you haven't spoke out publicly before

80:21

why why

80:22

now and why me uh

80:25

basically from the when i watched your

80:27

first video

80:28

uh i liked the vibe that you gave off

80:31

and i liked what you were doing because

80:32

you were showing an unbiased view

80:35

of the situation and what i've noticed

80:38

is you you didn't

80:39

a lot of people without saying are you

80:40

trying to do this you're trying to bash

80:42

this person

80:43

Declaration of Linda Kingsland, Continued

well i was listening to you it's not

80:45

bashing anyone you're living this state

80:46

in fact

80:48

you know what i mean that we're going

80:49

along with the case but a lot of people

80:52

will think it's bastion because they

80:53

don't realize what all these other

80:54

people have done

80:55

you know they don't understand what

80:56

these rocchios have done it hasn't came

80:58

to light yet but it's going

81:00

to it's going to exactly and that's why

81:03

i was happy when i saw this because i

81:05

already knew

81:06

social media is how she has built her

81:08

little empire

81:09

um a lot of people they haven't seen

81:13

what all is really there there's 2700

81:16

pages in that case file

Declaration of Linda Kingsland, Continued

81:18

you mean to tell me that they just fit

81:21

that into like a little hour or two

81:22

no there's no way you don't fit

81:26

seven years worth of information into an

81:28

hour tv show there's no way

81:31

and not actually you know go into

81:32

in-depth detail about it

81:34

well i've spent two days digging into it

81:37

and i've only gotten

81:38

as far as the gunshot residue reports

81:43

i mean it's it's it's remarkable it's

81:46

huge the case file

81:47

and it's very informative um

81:51

it's laid out actually pretty good and

81:55

i'm actually going to be playing the

81:56

9-1-1 calls two of the 9-1-1

81:58

calls tonight on the show so people you

82:01

know people thought that was staged

82:03

Declaration of Linda Kingsland, Continued

and and and i'm going to be going into
82:05

that one i'm going to be going into that
82:07

so um yeah it's ridiculous
82:10

ridiculous so i'm crazy
82:14

that that was pretty rough and there are
82:16

people that believe that in the 48 hours
82:19

they only played
82:20

like little snippets i mean it's people
82:23

need to hear the entire thing
82:25

so i'm going to be playing that tonight
82:26

but i want to thank villain
82:28

um i want to thank you for your time
82:31

tonight and i look forward to talking to
82:34

you again
82:36

and having you on the show again oh
82:38

absolutely
82:39

yeah absolutely i appreciate everything
82:42

you're doing by the way
82:44

and you're very welcome is there any

Declaration of Linda Kingsland, Continued

82:45

last thoughts you wanted to get out

82:47

there anything else that you wanted to

82:49

make sure you got out there that i

82:50

didn't ask you

82:53

ah tell caitlyn she's doing a good oh

82:55

she's

82:56

adopted oh okay

82:59

yeah i forgot to tell her that all right

83:02

i'll let her know

83:04

yeah she all right i appreciate it you

83:06

have a lot of people on your side

83:08

you you do and i know it doesn't the

83:11

other night watching the live chat with

83:13

all the people saying you know keep your

83:14

head up

83:15

you know inspirational and you know

83:17

positive stuff

83:18

i haven't seen stuff like that on social

83:20

Declaration of Linda Kingsland, Continued

media in a long time and

83:22

i really appreciate that you know that's

83:24

a really really picked

83:25

up yep and i'm going to be bringing more

83:27

of it your way and

83:29

whitley said something in the 48 hour

83:31

special that really resonated she said

83:33

i have an army too it might be a small

83:36

army but they're really smart

83:38

and i'm busted out laughing i said she's

83:41

very wow she gets it

83:44

she does have an army and and we're the

83:48

smart ones

83:49

and i promise you that we are going to

83:51

change the direction and the momentum of

83:52

this

83:53

bit by bit piece by piece piece part by

83:56

part i promise you that

83:57

dylan so there's hope on the horizon

Declaration of Linda Kingsland, Continued

84:02

oh also everyone told me something

84:04

positive and

84:05

uh supportive the other night i

84:07

appreciate that too

84:09

like you guys don't understand what that

84:10

done for me i really appreciate it

84:13

all right thank you dylan for sitting

84:14

down with me i'll talk soon

84:17

yes ma'am take care

84:28

all right um so there you have it

84:31

there's

84:31

that um geez louise you would think

84:35

some of you were raised in a barn some

84:38

of you are so

84:39

rude you sit in the chat section

84:42

and you bleat and you crow and you

84:46

run your beaks because you're so

84:48

insistent that you're right

84:50

Declaration of Linda Kingsland, Continued

you're gonna get your opinion out there

84:53

you're [__] right

84:54

everybody's gonna listen to me i'm gonna

84:57

dominate over this

84:59

long-awaited interview this this guy

85:02

has never given a public interview until

85:06

now

85:06

until me and you have no respect

85:11

for him and for me when you sit in chat

85:15

and you cause a ruckus and you run your

85:18

beaks

85:19

trying to force your freaking opinions

85:21

down people's throats

85:23

if this was a classroom a professor

85:26

would never

85:27

tolerate that they would never tell

85:29

would you do that in a classroom voices

85:32

if you were in an audience and someone

85:35

was giving

Declaration of Linda Kingsland, Continued

85:36

a lecture or presenting a show

85:39

you do that in a movie do you sit in the

85:42

audience

85:43

and scream at the screen that

85:46

things are wrong and you know better

85:50

it's completely disrespectful to me so

85:53

yeah you know what

85:54

the fact that voices had multiple people

85:57

telling them off in chat

85:58

that's why because they're being

86:01

disrespectful

86:02

to me on my channel and the two days of

86:05

work

86:06

that i put into this to writing

86:08

tonight's show

86:10

and and factoring in what i needed to

86:13

ask dylan in the first interview

86:15

that i'm doing with him i wanted to

86:17

Declaration of Linda Kingsland, Continued

bring out the human side of dylan
86:19
because he's been made into a
86:21
one-dimensional character thanks to rey
86:24
and her sycophants and her sick of fans
86:26
want to sit here and chat
86:28
and interrupt this whole thing and be
86:29
rude and disrespectful to me on my
86:31
channel
86:32
and i'm warning you i am going to start
86:34
blocking people i don't want to do that
86:36
i don't want to block you people who are
86:38
rude
86:39
i don't want to do that and then you
86:40
have someone else peppering the chat
86:42
with the fact that whitley's been
86:44
arrested how about just
86:45
stop and enjoy the interview i know you
86:49
can't be listening to the interview if
86:50
you're like this on your phone

Declaration of Linda Kingsland, Continued

86:53

or you're like this on your keyboard

86:54

you're not listening

86:56

if you're too busy trying to drive home

86:59

your thoughts and your opinion

87:01

and your knowledge and what you think

87:03

you know

87:05

and that you probably don't even know

87:09

have some respect my god

87:14

alright so now i have some screenshots

87:17

that i want to go over as i said

87:19

this is a this is a packed show

87:23

i have a lot and i have other stuff i

87:25

have to do tonight

87:26

i have i have uh stuff coming up i'm

87:29

going on a little vacation

87:30

so i need it so all right let's

87:34

let's get into some of these screenshots

87:36

that i have that i want to get into that

87:37

Declaration of Linda Kingsland, Continued

i want to discuss with you guys and i

87:39

promise you

87:41

i promise you i will pour a beer and we

87:44

will have a panel when i'm done getting

87:46

out what i want to get out

87:51

geez louise

88:00

okay so first up to that

88:06

i have a screenshot from

88:10

the justice for christian group this is

88:12

ray this is from

88:13

2019.

88:17

she says last night i was shocked and i

88:19

don't know why this shocked me to

88:21

stumble across

88:21

posts describing christian as

88:23

manipulative and controlling

88:25

among other negative descriptions i

88:28

found this so disturbing when christian

88:30

was none of those things he was

Declaration of Linda Kingsland, Continued

88:31

all of those things and it's evident in

88:34

the case file and in the text

88:35

i mean it's glaringly evident any young

88:38

man

88:38

who is insisting that his 17 year old

88:41

girlfriend

88:42

have her location sharing on and her

88:44

read receipts on

88:45

and he's got people spying on her is

88:48

manipulative and controlling

88:50

period full stop i realized i have sat

88:55

back in an effort to not be a part of

88:57

the drama oh really

88:58

the main cause of the drama and let them

89:01

make people who have never met christian

89:03

think he was something that he never was

89:05

and never would be

89:06

i'm not going to sit here and argue that

89:08

Declaration of Linda Kingsland, Continued

all the texts have been altered

89:09

you know you because you can't and they

89:11

haven't been altered

89:14

christian did send some texts that could

89:16

be disturbing

89:17

if you didn't know him and didn't know

89:19

the situation you need to imagine how

89:21

you would feel

89:22

if you are 20 and 21 years old and you

89:24

are stuck on a boat for 30 days

89:26

and your girlfriend is home going out

89:28

every night and spending your money

89:30

driving your car

89:31

while you are working 12 to 20 hours a

89:33

day for 30 days straight okay ray but

89:35

your son

89:35

chose that your son was an adult he was

89:39

21 years old he chose to have

89:42

this girl in his life i realized that

Declaration of Linda Kingsland, Continued

89:45

made you angry

89:46

you didn't like that and you wanted him

89:49

to stop

89:50

seeing whitley but he chose

89:53

this he chose her all

89:56

with all the flaws warts and baggage

89:59

that that included

90:00

he chose her he it was his decision to

90:03

have her there

90:04

it was his decision to let her drive his

90:06

car it was his decision to be stuck on a

90:09

boat for 30 days he made that choice

90:11

to do that job

90:14

he gave her his money he let her have

90:17

access to it

90:19

she continues on meanwhile you are

90:21

getting pictures

90:23

and texts sent to you about how she is

90:25

Declaration of Linda Kingsland, Continued

seen with this guy or that guy gee i

90:26

wonder who was sending him

90:28

those texts and pictures i wonder who

90:31

was ginning

90:31

up and playing on his insecurities and

90:35

his

90:36

and his jealousies and his and his image

90:39

his

90:39

uh immaturity relationship emotional and

90:42

maturity

90:45

i think from a distance of hundreds of

90:47

miles away you would lash out through

90:49

text

90:49

i know i said i've said many things in

90:52

text that i didn't mean

90:53

or or would never do but i was angry at

90:56

the time and i thought no one would ever

90:58

see these messages i was sending so you

91:00

lash out

Declaration of Linda Kingsland, Continued

91:01

but does that really reflect who you are

91:03

yes

91:04

ray yes it done and i can't believe i'm

91:07

having to tell you this

91:08

given what you do for a living yes it

91:10

does reflect who you are

91:11

when you lash out it reflects who you're

91:13

being in that moment

91:14

and you either choose to change it you

91:18

choose to correct yourself

91:19

and or you don't right

91:24

you know this she continues on

91:28

i would hope not because i'm sure many

91:31

of you have seen messages i have sent

91:32

about whitley oh yes we have

91:35

and the situation she created that

91:38

is just venting due

91:41

to being in a situation where i had

91:45

Declaration of Linda Kingsland, Continued

no control

91:49

i would challenge any parent girlfriend

91:52

boyfriend to look in their phone and see

91:53

if their texts

91:54

that are probably would not paint them

91:56

in the best light if they were released

91:57

to total strangers

92:00

that's right that's right including

92:03

the text between christian and and

92:05

whitley right

92:07

and the stuff that you've released

92:12

that you've embarrassed whitley with

92:14

right i mean it cuts both ways

92:18

but i underscored this sentence because

92:21

people

92:21

i always say this people leak they leak

92:24

who they are

92:25

they leak their inner truth and they

92:27

leak their inner dialogue

Declaration of Linda Kingsland, Continued

92:29

you just have to know when to spot it

92:31

she says that is just venting so her

92:33

lashing out

92:35

is venting due to being in a situation

92:39

where she had

92:40

no control

92:46

moving on i want to address this claim

92:50

that christian was on his way to being a

92:54

tugboat captain

92:55

and that he took his job super seriously

92:57

and he was super

92:59

responsible and he was just had this

93:02

head on his shoulders and he was

93:05

real serious about his job on the boat i

93:07

want to completely dispel that

93:09

because it is completely dispelled by

93:11

the case file this is

93:13

christian um

93:16

Declaration of Linda Kingsland, Continued

texting regarding leaving his job
93:20
he's being asked are you off the boat
93:21
yet he says one hour
93:23
he the person he's texting with asks is
93:26
it throwing your crew change off or you
93:27
coming back to the boat in a day or two
93:29
he says
93:30
i don't know what i'm doing i told my
93:31
captain i'm getting off he said why
93:33
i said i got a family situation and
93:35
whether he likes it or not or the office
93:37
likes it
93:38
i'm getting off you can go ahead and
93:40
fire me whatever has to happen
93:42
he said all right i'll go to bat for you
93:44
but there's only so much i can do
93:46
in conjunction with this christian also
93:49
tossed
93:50
his thousand dollar work suit

Declaration of Linda Kingsland, Continued

93:53

in a ditch and that's undisputed when he

93:56

got in the car with dylan

93:57

he tossed his work clothes his very

93:59

expensive work clothes in a ditch

94:06

moving on to more texts from the case

94:09

file

94:09

and i hope you guys are seeing this okay

94:20

so when you see red that's christian

94:23

reading

94:24

sent is christian sending a text

94:31

and the person texts him and says i was

94:34

just i was being honest letting you know

94:36

what i was doing ahead of time he

94:37

responds and says when i'm home

94:38

you don't want to be around anyone when

94:40

i'm gone you go out you hang out get

94:42

effed up just like everyone i hit the

94:43

boat

94:44

Declaration of Linda Kingsland, Continued

my mom hits me with some bs messages

94:46

about how i'm back

94:47

i'm a backstabbing son

94:51

and what i'm going to be doing with

94:52

these messages and i'm just including a

94:54

few tonight and in future episodes i'm

94:56

going to be including more

94:57

i'm going to be completely dismantling

95:00

this false narrative that was put out on

95:02

48 hours

95:04

and kendall ray and culpable and all

95:06

these other people this false narrative

95:08

that things were just hunky-dory between

95:10

rey and christian

95:12

and that christian was perfectly fine

95:14

with with

95:16

um his mom and the relationship with his

95:18

mom

95:20

this person responds and says i do want

Declaration of Linda Kingsland, Continued

95:22

to hang out now even when you're home

95:24

because i'm more comfortable around all

95:25

of them i talk to bree pretty much the

95:27

whole time and was home at 10 45.

95:30

christian says whatever there has been

95:32

maybe one time you ain't done something

95:34

when i've been gone

95:35

what do you mean you just now want to do

95:37

stuff you always have done stuff the one

95:38

time you haven't you cried and acted

95:40

like it was the end of the world

95:42

you want a relationship when it benefits

95:44

you and when you and you don't

95:46

when you you don't do when you when what

95:49

you want

95:50

just like my mom wants to tell everyone

95:52

how [__] of a son i am

95:54

because i don't want to make up but

95:56

Declaration of Linda Kingsland, Continued

every time

95:58

it's time to make up she sticks her nose

96:00

in the air

96:01

this is right from the case file and

96:03

this is days this is just

96:05

days before the incident in the

96:07

apartment

96:09

now for this next series of texts i've

96:11

put a c

96:13

where it's christian and i put an a

96:15

where it's his sister

96:17

christian says it is what it is i can't

96:19

really help you no more she don't listen

96:21

to me and we barely talk and i like it

96:22

this way

96:24

this is his sister alexa and she loves

96:27

just talking [__] about

96:28

christian it's another christian she's

96:30

talking about i can't even think of how

Declaration of Linda Kingsland, Continued

96:31

many times i've cried

96:33

to christian or how many times he's been

96:34

there for me when i was being a little b

96:37

christian is just probably one of my

96:38

realest friends because he tells it to

96:39

me straight up and doesn't lie

96:42

oh i don't need help because the more

96:43

she pushes them away the more i'm just

96:45

going to sneak around to hang out with

96:46

them

96:47

this is his sister and christian

96:50

discussing how controlling their mom is

96:53

about who they hang out with

96:54

and who they're friends with christian

96:56

responds and says

96:57

i don't know she has problems she can

96:59

blame them on me or you or whatever but

97:01

she needs help or medicine

97:02

Declaration of Linda Kingsland, Continued

or something until she does i ain't

97:04

trusting her no more

97:06

i ain't going out of my way to make her

97:07

happy or please her i'm doing my own

97:09

thing

97:10

whether she likes it or not alexa

97:13

responds

97:14

i don't think she has a choice to that

97:15

one i mean you're 21 and not even living

97:18

here

97:18

you can do whatever the f you want but

97:20

me on the other hand i'm still

97:22

in prison no joke i have good grades in

97:25

everything and the only things i've done

97:27

is dusty lead out be beauty review to

97:29

see duncan

97:30

and basketball games the only reason i

97:32

go to

97:33

i got to go to any is because she wants

Declaration of Linda Kingsland, Continued

97:35

me to get back with duncan

97:37

i feel like she is trying to play

97:39

barbies

97:40

or something with my life the perfect

97:43

boyfriend perfect friends perfect life

97:45

but that's not how it works considering

97:47

she doesn't even know

97:49

why i broke up with duncan the real

97:51

reason ahahahaha christian was my reason

97:54

so i don't know what anyone says but me

97:56

and christian

97:57

christian shall get married one day okay

98:00

what

98:00

the picture that these series of texts

98:03

should paint for you

98:04

is not only was ray

98:07

controlling about who christian dated

98:11

and who christian was friends with and

98:12

Declaration of Linda Kingsland, Continued

christian hung around with and where

98:14

christian worked and what christian did

98:16

she also was equally as controlling

98:20

with her daughter and it's clear as day

98:23

here

98:24

with alexa saying it i feel like she's

98:27

trying to play

98:28

barbies with my life she wants

98:31

everything to be perfect and this falls

98:33

in line

98:34

with what we know about christian saying

98:37

to his

98:38

family or saying to his friends

98:41

that he can couldn't make his mom happy

98:43

just felt like he could never make her

98:45

happy she was never

98:46

happy with him

98:49

now this next series of texts is um

98:53

from josh and then there's one

Declaration of Linda Kingsland, Continued

98:57

um from whitley

99:00

and then we have another one from josh

99:05

josh says to him and i want you to

99:07

notice the date on this this is 2

99:09

23 2014.

99:12

josh says just do it man get it over

99:15

with and listen to what she has to say

99:17

she wants to compromise and compromise

99:19

with her i can go ahead and tell you

99:20

what she is going to want

99:22

she is going to want you to come out to

99:25

the house more

99:26

and go out and eat with them and [__]

99:28

but she isn't going to let you bring

99:30

whitley

99:32

i don't know where you and whitley are

99:34

in your relationship

99:35

but if you plan in staying with her then

99:38

Declaration of Linda Kingsland, Continued

tell her you're not leaving her

99:40

and then go from there if she can't

99:42

accept

99:43

at that whatever i mean you all can come

99:45

to some kind of agreement

99:47

i mean look at it from their point of

99:48

view man i know it's not like

99:51

this or i don't think it is i really

99:53

don't know but it looks like whitley is

99:55

using you man

99:56

she doesn't have a job she doesn't go to

99:58

school and she sits at the house

100:00

all day playing playstation i know she

100:03

is trying to find a job and that's not

100:04

really what it is but that's what they

100:06

are seeing they think she is running

100:08

around behind your back

100:10

and basically using you they don't

100:13

see how it really is man they don't see

Declaration of Linda Kingsland, Continued

100:16

her trying to find jobs and trying to

100:17

get her mom to let her go to school or

100:19

anything like that they see the

100:20

negatives you're never going to get rey

100:23

to like whitley

100:24

ray doesn't even like avery so this is

100:26

expected man

100:27

just talk to her and come up with a

100:29

compromise man get this drama crap out

100:31

of the way

100:32

and if she starts it again then keep

100:33

doing what you're doing now

100:37

josh then responds a few minutes later

100:40

and he says man

100:41

i tried this crap with her a hundred

100:43

different ways man i tried writing

100:44

letters talking in person

100:46

texting it doesn't matt actually sorry

100:49

Declaration of Linda Kingsland, Continued

this is

100:50

christian to josh let's begin again man

100:53

i tried this crap with her a hundred

100:55

different ways man i tried writing

100:57

letters

100:57

talking in person texting it doesn't

100:59

matter it ain't gonna change crap she

101:02

ain't gonna let whitley come to the

101:03

house

101:04

when i'm at the house all she wants to

101:06

do is make snide ass comments about her

101:08

when i'm not ever talking anything about

101:10

her and all the negative towards me

101:12

i asked her the past time i was home did

101:15

she want to eat she said she was busy

101:17

i tried sitting on the bed talking to

101:18

her all she would do is say she was busy

101:20

leave her alone so what is there to work

101:23

out exactly

Declaration of Linda Kingsland, Continued

101:24

now again i'm trying to illustrate for

101:27

you guys

101:28

a young man 21 years old very much torn

101:32

between his mom

101:33

and his girlfriend and very much feeling

101:36

the frustration of that this is

101:39

corroborated

101:41

by his friends and by

101:45

more specifically dylan

101:49

on the day that christians

101:53

uh ended his life

101:57

christian said something to dylan about

102:00

rey

102:01

the conversation the last conversation

102:04

he had with ray

102:05

she was crying that there was some

102:08

crying going on

102:10

and christian made the comment to dylan

102:13

Declaration of Linda Kingsland, Continued

i can't i'm caught in between the two of

102:14

them i can't make anyone happy

102:17

i'm caught in between the middle of

102:19

these two

102:20

women and now moving on to these next

102:24

series of texts

102:26

he says to um and this is just a

102:30

continuation of

102:31

of these last texts

102:34

he says to josh all she wants to do

102:37

is make herself feel better for being a

102:40

bee

102:40

by saying she tried to talk to me

102:43

i told her i'm done with that drama bs i

102:46

ain't fighting anymore because i don't

102:47

have nothing to fight about

102:50

i never called starting crap i never

102:52

asked for their opinion i never asked

102:54

for their acceptance i don't care

Declaration of Linda Kingsland, Continued

102:56

i ask for the bs and the drama to stop

102:59

and she can't

103:00

she refuses to so i ain't worried about

103:02

it i don't care if she goes to sleep

103:04

crying i'm done with that bs

103:05

when she gets over her bs and learns to

103:08

just freaking be happy

103:09

then maybe we can all be at peace then

103:12

this is february 23rd 2014.

103:18

this is from josh do what you got to do

103:20

man

103:21

i don't know what's gotten into her she

103:23

just isn't going to be happy until

103:24

either we move back

103:26

or you leave whitley that's the only way

103:29

she will ever stop i don't know man

103:33

i'm not worried about it just do what

103:35

you do

103:37

Declaration of Linda Kingsland, Continued

he responds to josh i don't care

103:41

if we talk don't care if her or anyone

103:43

else likes it i don't hate her or

103:45

despise her for doing

103:46

crap for dusty i don't refuse to have

103:49

anything to do with her

103:50

because of him i look over it and accept

103:52

it the same as she should look over

103:54

whitley

103:55

but she can't she wants me to choose her

103:57

or whitley

103:58

and i ain't choosing whitley ain't

104:00

trying to start crap with her

104:02

and hasn't if she was then i'd

104:04

understand why she acts the way she has

104:06

been

104:07

but she don't to josh again

104:11

even if i left whitley tonight i ain't

104:14

talking to her

Declaration of Linda Kingsland, Continued

104:15

because it's not whitley it's her it has

104:18

nothing to do with whitley

104:19

why i stopped going up there or stopped

104:22

talking to her february 23rd

104:32

now this next screen

104:35

shot is a

104:38

direct message to michaela and that is a

104:41

name that you've heard me

104:42

mentioned as

104:45

the individual who

104:49

alexa christian's sister messaged

104:53

a friend of michaela's name hunter

104:57

and i showed it to you in the last

104:59

episode where she

105:00

said uh my mom will pay you 10 grand

105:04

to get michaela drunk and get her to

105:07

start talking about whitley

105:12

and rey direct messages this young lady

105:16

Declaration of Linda Kingsland, Continued

and she says and again this is back in

105:20

2017

105:21

she direct messages her and she says

105:23

michaela i think you need to stop

105:24

worrying about alexa and start worrying

105:26

about your own

105:27

legal issues this is intimidation i sent

105:30

the audio file to the aeg investigator

105:32

this week in which you are implicated in

105:34

helping whitley cover up christian's

105:36

murder

105:37

it also implicates you in drug

105:38

trafficking and sex trade with whitley

105:40

for philip marr

105:41

i had held off turning the audio over

105:43

because we had told the person we would

105:45

not release their name

105:46

due to recent events we have decided

105:48

that person no longer deserves our

Declaration of Linda Kingsland, Continued

105:50

silence

105:51

we have also turned the tape over to a

105:53

national news media outlet who plans on

105:55

doing a story on christian's case

105:57

i feel strongly that every individual

105:59

who stayed silent and who assisted

106:01

whitley

106:02

and covering up the true events that

106:03

occurred that day should be prosecuted

106:08

should be prosecuted for their

106:11

prosecuted for

106:14

prosecuted for the role that they played

106:16

and

106:17

michaela and michaela mckayla thumbs

106:21

thumbed her down now

106:28

before i get into the next

106:31

series of screenshots i want to say

106:34

regardless

106:35

Declaration of Linda Kingsland, Continued

of your view on the forensics and
106:38
nuances of this case
106:41
i just can't see how anyone can disagree
106:42
with me that using social media to
106:45
assemble an
106:46
army to establish yourself
106:49
as their de facto leader by using your
106:51
status as a grieving mother and then
106:53
waging
106:54
war literally waging war
106:57
against people that you have deemed
106:58
suspects or people who will
107:00
people like michaela who refuse to
107:04
work with you on getting to whitley and
107:08
getting to dillon
107:10
this is not an appropriate way to go
107:13
about getting
107:14
justice for someone this is not an
107:17
appropriate use

Declaration of Linda Kingsland, Continued

107:18
of social media
107:21
it's cruel it's irresponsible
107:24
and shameful and yes i am publicly
107:27
shaming
107:28
rey for it
107:32
what you have been doing for the past
107:34
seven long years
107:36
is tightly controlling the narrative
107:40
you've had a death grip on the narrative
107:42
and calculating and controlling ways
107:46
in which you have done that are almost
107:47
too numerous to count
107:50
and i'm going to be touching on a few of
107:51
them tonight after i get through these
107:53
next series of screenshots
107:58
any sort of statement that is gotten
108:01
out of someone via bribing them
108:04
or threatening them or intimidating them
108:07

Declaration of Linda Kingsland, Continued

it's not admissible

108:08

so what is the point of it what is the

108:11

been the point

108:12

of this e war what really is the point

108:15

but let's get back

108:16

to uh rey in her

108:20

echo chamber of a group

108:24

she says you also have to take into

108:26

consideration dylan was taking a lot of

108:27

oxycontin around that time

108:29

he was pretty strung out so i have been

108:31

told

108:32

he obviously had no money because he

108:34

told christian in text messages that he

108:36

had to borrow money from his grandfather

108:38

to buy gas to go pick christiana so you

108:41

have a drug addict without money that

108:43

equals desperation

108:44

and stupid decisions

Declaration of Linda Kingsland, Continued

108:47

someone else chimes in

108:51

and they say i have a question before i

108:53

left a different facebook group they

108:54

were defending dylan and saying he

108:56

didn't have a drug problem i

108:57

commented that i read or heard somewhere

108:59

online dylan had left a drug rehab just

109:01

a couple days before christian's death

109:03

dylan's mother promptly told me i was

109:05

given the wrong information did i get

109:07

that wrong

109:09

sue in the group responds and she says

109:12

um i believe there more than one person

109:14

has made this and has inside knowledge

109:16

of dylan being in rehab and

109:18

also other times kimberly chimes in oh

109:20

pam much like whitley's mother seems to

109:22

have a little lying problem

109:24

Declaration of Linda Kingsland, Continued

and seems to have issues with enabling

109:26

their strung out lying children

109:29

paula responds he does have a drug

109:31

problem

109:32

leanne responds he's always had a drug

109:34

problem even when they were young

109:35

there's a bunch of people who

109:37

you know again with the peasants and

109:39

this is who i mean

109:41

by the army that she has assembled

109:45

but let's go back to the case file let's

109:48

let's take a good look at the case file

109:50

and look

109:50

at the texts from christian himself

109:57

so the person he's texting with says

110:00

it's going to be wild when you get back

110:03

um let me make sure i'm reading this

110:07

from the top

110:08

or from the right uh

Declaration of Linda Kingsland, Continued

110:12

he done that to me too and i wrote him

110:13

back said you were there he read it 10

110:15

on the dot

110:16

no he ain't gone say he ain't running

110:18

back he ain't gonna say crappy read it

110:19

heck yeah

110:20

i'll find him for show was one of them

110:23

when i was with her

110:24

i'm gonna throw a large amount of

110:26

someone when i get back

110:28

should ain't talked in a minute you

110:29

still got the x

110:31

hookup this is somebody asking christian

110:35

if he has a xanax hookup

110:39

and he puts the big x

110:43

i ain't gonna remember none of that crap

110:45

because cause came through on the pills

110:48

tabs and stick hahaha i'm down for

110:50

Declaration of Linda Kingsland, Continued

whatever you know that oh for sure

110:53

[__] be conniving these days thinking

110:55

that they can get away with anything

110:58

dude you coming back memorial day

111:00

weekend we're throwing down

111:02

aha we ought to flip her get some of the

111:04

town chicks and flip them

111:06

aha oh yeah i get that [__] straight

111:09

though she might end up in the dungeon

111:12

um

111:17

but here's the reference to the xanax

111:18

abuse moving on

111:20

i'm still digging haha i need some damn

111:22

proof so she can't dance around the

111:24

truth with her bs

111:25

lies said what her own mama said that

111:27

too i'm hoping that between sending him

111:29

that and me sending what i sent that he

111:32

will get pissed off at her and send me

Declaration of Linda Kingsland, Continued

111:34

those

111:34

damn screenshots once i get satisfaction

111:36

i will be happy

111:39

i want her to come home and think we are

111:40

all right and then i see her own

111:42

damn messages saying was okay for him

111:44

come she ain't going to be able to say

111:46

uh crap back that's all i want is to

111:48

make her not be able to dance around the

111:49

tooth and blame everyone

111:50

this is indicative again of him wanting

111:53

to confront whitley

111:54

not wanting to throw her out wanting to

111:56

confront her

112:00

and then um

112:07

at the bottom here it says

112:11

and this is christian i don't know who

112:13

told you if you want to be honest

112:15

Declaration of Linda Kingsland, Continued

josh is tell me he didn't dylan is

112:17

saying he didn't lisa said she didn't

112:20

i know that it was josh or lisa i don't

112:21

know how they could remember because

112:23

they were all effed up

112:24

josh had taken a few bars they're

112:26

talking about xanax

112:27

before i have him the one or a half of

112:29

him in the truck didn't even remember

112:31

going to a different party and he didn't

112:32

know that he slept in the bed with dylan

112:34

that night

112:34

if dylan told you then he's probably

112:36

true if josh told you then i don't know

112:38

if i believe it like i said i don't

112:39

remember

112:40

if we did so i can say we did or didn't

112:42

i had no intentions on lisa even coming

112:44

that night

Declaration of Linda Kingsland, Continued

112:45

i was trying to get with kayla walton i

112:47

didn't even ride in my truck most of the

112:49

night

112:50

i rode with kayla while dylan and lisa

112:51

and josh drove my truck everywhere that

112:53

night until we got to the last party

112:56

once i got there i was so effed up

112:59

i got in my truck and stayed till we

113:02

left

113:06

and then in this next series of texts um

113:09

ha ha ha haha up there got that lounge

113:12

smelling like straight testosterone

113:15

and ass summer's coming fast gotta get

113:17

back to this is christian

113:19

gotta get back to 210 i took a big loss

113:23

crap makes you sweat and pee like a m f

113:25

er

113:26

it's iite most of it is just water

113:29

Declaration of Linda Kingsland, Continued

weight

113:30

my piss is like damn wolf piss right now

113:32

ha ha 18 pound loss ain't too bad

113:35

is cutting good cutting steroids i need

113:38

to chill after that for a while

113:39

let my kidney heal up get really big

113:41

then do a crazy hard cut

113:43

cycle

113:46

month before summer i'm going to do

113:48

injectable

113:49

of test for a cycle bulk to 198

113:53

i'm back down to 180 i hell yeah i need

113:56

some more

113:57

i've been on deer antler spray for eight

113:59

weeks have you already bulked

114:00

i'm cutting with oxy elite pro right now

114:04

they are plenty of places that sell it

114:07

they shut it down

114:08

look up d d boy

Declaration of Linda Kingsland, Continued

114:11

i dude what's that sight you got them

114:14

animal anabolic steroids off of all

114:17

right cool thanks man so here we have

114:19

admitted xanax use and admitted

114:22

steroid use

114:25

and in my next show i'm going to be

114:28

showing where they talk about about

114:29

adderall use

114:33

here is the text once again from alexa

114:36

to hunter

114:37

saying my mother said if you get

114:39

michaela so effed up

114:41

she will tell whitley has so again i'm

114:44

trying to illustrate for you guys

114:46

christian was also doing

114:49

drugs christian was hanging out with

114:51

people that were doing drugs

114:54

of course we know whitley was doing

114:56

Declaration of Linda Kingsland, Continued

drugs for the person who was yelling

114:57

that at me and chat well aren't you

114:59

going to acknowledge yeah really i think

115:00

it's pretty common knowledge

115:02

but we also need to acknowledge that so

115:04

is christian

115:05

and you have ray sitting in her army

115:09

talking about um what a loser drug

115:12

addict dylan is

115:14

and what a horrible person he is for

115:16

doing drugs and you have

115:17

rey's army her sycophants in there

115:20

saying

115:20

that uh dylan's mother and whitley's

115:23

mother

115:24

haven't have raised and enabled their

115:26

kids to be drug

115:27

druggies and liars and here we have

115:30

ray's own daughter

Declaration of Linda Kingsland, Continued

115:31

texting someone and offering to pay

115:35

a young man to get a young girl

115:38

so messed up

115:44

if that she will run her mouth about

115:46

whitley

115:48

again i hope that i'm driving home

115:52

the sheer and utter hypocrisy

115:55

of this woman and her sycophant

115:58

sitting in their army throwing shade

116:02

and spitballs at dillon for possible

116:05

drug use

116:06

but this woman is encouraging

116:10

young people to use

116:13

substances and get messed up

116:17

and her own son was on

116:21

god knows what psychotropics prior to

116:24

coming home that day

116:26

and for people that want to argue that

116:28

Declaration of Linda Kingsland, Continued

they're

116:29

tested all the time on the boat most

116:32

drug tests

116:33

do not test for xanax in fact most

116:36

most do not and it's got a fi it's a

116:39

five day

116:40

roughly five day period in in the urine

116:44

so it likely the xanax abuses in my

116:47

opinion cannot be denied

116:49

and i'm going to continue to show proof

116:50

of that as i continue to go through the

116:52

case file

116:54

the xanax abuse among these young people

116:56

was rampant there was also adderall

116:58

abuse

116:59

these are psychotropics they're not

117:02

necessarily tested for

117:03

on standard work drug tests they're

117:06

testing generally for street drugs and

Declaration of Linda Kingsland, Continued

117:10

some of them these psychotropics are out

117:13

in a matter of a few days so it doesn't

117:15

surprise me

117:16

that his urine analysis

117:20

was clear now before i get

117:24

to the funeral stuff i want to

117:30

play a couple more i want to play one

117:33

more interview for you

117:34

and a video

118:00

so yeah so of course

118:04

yeah so of course i wanted to talk to

118:07

you about

118:08

you know everything going on

118:24

so yeah so of course i wanted to talk to

118:27

you about you know

118:28

everything going on yeah

118:32

thank you lot eager i kind of figured

118:34

that's what you were wanting to talk

118:35

Declaration of Linda Kingsland, Continued

about because

118:37

i knew i know you they put you on that

118:40

latest podcast

118:42

yeah it's crazy yeah yeah

118:45

it's so crazy and i and i don't think

118:48

anybody when they originally

118:50

like when when like you and when dallas

118:52

and when everybody originally got

118:53

involved in this mess

118:56

i don't think y'all ever expected it to

118:58

really go to this extreme and

119:00

to be exposed in the ways that y'all

119:02

been exposed

119:04

well because we were told that they

119:07

wanted a story

119:08

and so you know we all it was like

119:11

hearsay

119:12

you know what i mean like

119:16

yeah and we were like what

Declaration of Linda Kingsland, Continued

119:19

16 years old i just turned 21 two days

119:23

ago

119:24

yeah yeah three years ago

119:28

yeah yeah quite well

119:32

i had just turned 16 that august and it

119:34

was in january i believe

119:36

well it was february of 14 when the

119:39

incident happened

119:41

february 14th yeah february of 2014

119:44

when it actually happened oh yeah that

119:47

was five years ago

119:49

right yeah so

119:53

yeah that's what i was wondering too

119:55

though i mean did they like approach you

119:57

or how does that happen

119:59

andrakios okay so this is why it's so

120:02

[__] up to me frankie like i have not

120:04

talked to anyone

120:05

Declaration of Linda Kingsland, Continued

from meridian about this except my mom

120:09

yeah that's great just my mom that's the

120:11

only person and

120:13

i have i don't know so this is what's so

120:16

[__] up about it

120:18

tyler thompson told me i'm telling you

120:20

the truth i don't know what

120:21

who to talk to i don't know what to say

120:23

and i don't want to intimidate myself

120:25

or say something wrong for it to be

120:27

turned on someone else

120:28

no that's perfectly fine that's

120:31

understandable

120:32

so i don't want to reach out but

120:36

tyler thompson which is judge thompson's

120:38

grandson he was like if you give my

120:40

family a story

120:43

you know like if you know anything or if

120:47

you've heard anything they'll give you

Declaration of Linda Kingsland, Continued

120:48

ten thousand dollars and i'm 16.

120:51

like i promise you one thing about me

120:53

like

120:55

i like to chase money like i love money

120:58

i won't do anything for money but i like

121:00

money

121:02

and so that was motivating for me

121:05

you know yeah but

121:09

everything that was said was just like

121:11

hearsay

121:12

and eventually they dropped you like we

121:15

went to alliance

121:16

health center and

121:21

she there was like a lady a polygraph

121:23

lady mind you i was a minor

121:25

there was a lady there to give me a

121:26

Polygraph test

121:28

and it was

121:33

Declaration of Linda Kingsland, Continued

yeah that was that gail mills lady the

121:35

one who worked for the

121:37

role right yeah

121:41

she's a probably so eventually

121:44

it was like a mason jar full of weed

121:48

and five hundred dollars

121:53

is what they gave you to to give your

121:55

story

121:56

yeah and who gave you that

121:59

child and dracula and kyle xv

122:02

was with me you know my ex right you

122:04

know yeah

122:05

yeah so todd christian's dad

122:10

yeah and like this is why okay like this

122:12

is how i know it was around january

122:13

because i remember

122:15

i gave blair like a fat ass nog out of

122:17

it

122:19

yeah so you got blair

Declaration of Linda Kingsland, Continued

122:22

somebody on her birthday yeah for her

122:24

birthday

122:25

i like that like crazy like this is like

122:28

and

122:28

i like none of i i guess none of us knew

122:30

the severity of what is really going on

122:33

you know what i mean like

122:36

you know like we know it was a suicide

122:38

we know

122:39

like but it's just like stuff you hear

122:42

you know like and especially at a young

122:43

age

122:44

i'm like you know like

122:47

i could have made i should have made

122:49

better decisions considering it

122:51

like regarding it you know but i want to

122:54

like

122:56

i got like most definitely 100 sure

122:58

Declaration of Linda Kingsland, Continued

should have like this is stuck by
123:00
it i want to make a video
123:04
but you've told you've told your mom
123:06
this
123:07
yeah and what she said
123:10
she is like she doesn't blame rey
123:14
because she has a dead son out of it
123:17
yeah
123:17
you know so she's not like none of us
123:20
are here to like
123:22
talk [__] or like being great someone
123:24
you know
123:25
so like we understand the situation we
123:27
understand her heart and like
123:29
why she's motivated so like
123:34
she thinks it was
123:38
like manipulating a bunch of kids
123:41
like taking advantage of youth
123:45
you know

Declaration of Linda Kingsland, Continued

123:48

he did it a fair way yeah

123:51

yeah yeah you're right i mean especially

123:55

you being 16 at the time or

123:57

17 however old you were yeah 16 17

124:00

i think i just turned 16 and i was

124:02

turning 17 that august

124:05

yeah well that's when it occurred but

124:07

when did she when was it that you did

124:08

that interview

124:11

i don't know it was like i've done i was

124:13

like 16

124:14

15 turning 17. okay

124:18

and what and when when was it that you

124:21

that that they're trying to say that you

124:23

had that conversation that whitley told

124:25

you something

124:28

two thousand that was like the same time

124:31

so when they they came to key west and

124:34

Declaration of Linda Kingsland, Continued

they were like

124:34

we're producers we're doing a tv show

124:37

about whitley

124:39

you know didn't really talk much about

124:42

people they asked me what happened i

124:43

told them i didn't know what happened

124:46

and then they were like asking about

124:48

whitley

124:49

and i've never said anything bad about

124:51

her like

124:53

this was recent this was like

124:56

it was back around february this year

124:59

or something yeah they had showed up and

125:02

then

125:05

since i was working you know like yeah i

125:07

was dancing

125:08

like for a little while like that's not

125:10

what i'm doing now

125:11

that's not who i am so like i mean [__]

Declaration of Linda Kingsland, Continued

125:15

like i did what i had to do

125:17

yes yeah of course there's other options

125:20

but we're trying to fight the rant and

125:22

eat like a living

125:25

yes like and it wasn't like a career but

125:28

it

125:28

was i mean anyway so well listen so that

125:31

was yeah i know that was sometime this

125:33

year before the podcast but they said

125:35

they said though today at the end of

125:36

that podcast that they had spoken with

125:39

you again

125:41

uh in mississippi at some point

125:45

did you ever talk to them again to the

125:47

podcast people or to investigators at

125:49

another point

125:50

no i haven't i don't remember

125:53

even when i was in mississippi i've only

125:56

Declaration of Linda Kingsland, Continued

been in a mississippi like

125:58

i don't know i'll have to hear that to

126:00

see to me like it's just

126:03

i listened to it but i didn't hear that

126:05

for it yeah i think that's what they

126:07

said toward the end i don't know that

126:09

you know some of that stuff runs

126:11

together so i'm not real sure but i

126:13

thought that was

126:14

toward the end i you talk to whitley uh

126:17

yeah i mean i stayed in touch with

126:19

whitley you know because

126:20

we're trying to help her get through all

126:22

this because how is she

126:24

she's fine i mean she's doing well i

126:26

mean yeah she's struggling she's having

126:27

a tough time but

126:29

you know overall she's you know she's

126:32

she's okay i mean she's doing

Declaration of Linda Kingsland, Continued

126:35

better than most people would be doing

126:36

who were faced with this but the fact

126:39

that they

126:39

put out there where she lived where she

126:41

works

126:42

and things like that you know and then

126:45

people go in looking for her at work or

126:48

people have called for work uh

126:51

you know that's just that's just not

126:54

fair to her that people are doing things

126:55

like that and i think that's one of

126:56

their things

126:57

is they want people they want people to

126:59

make her life miserable

127:02

but i mean yeah just like it's like

127:06

and i also feel like it's because

127:10

she hasn't spoken on it you know

127:13

yeah not saying you know that comes with

127:16

Declaration of Linda Kingsland, Continued

hard times whenever she feels
127:18
right or if she never feels you know
127:19
completely affair well that's really
127:22
that's really nobody hears the other
127:23
story nobody hears the other side
127:25
they're only here one time
127:27
well and that's what that's the thing
127:29
that's been trying to happen
127:31
uh you know joel hamilton's been running
127:34
that unjustifiable page
127:36
where we got a copy of the case file and
127:38
he's been
127:42
yeah well there's a bunch of people on
127:44
it there's there's over 2 000 people
127:46
looking at it so
127:48
you know he's been getting the truth
127:49
he's been getting the actual evidence
127:51
out of the case file and getting the
127:52
evidence out there you know the biggest

Declaration of Linda Kingsland, Continued

127:54

things were

127:55

you know like he act like christian

127:57

actually did have positive

127:58

he tested positive for gunshot residue

128:01

he was the only one who tested positive

128:04

whitley and dylan only tested for

128:05

particles that are indicative

128:08

of gunshot they didn't test a positive

128:10

you know andrakios are manipulating this

128:13

and everyone around them to get their

128:16

own satisfaction because they don't want

128:18

to feel the blame for why their son

128:19

committed suicide yes

128:23

right they know yeah there's

128:26

there's a lot of things in that file i

128:27

mean all the text messages of

128:29

him threatening to kill himself but but

128:31

yeah i had

128:33

Declaration of Linda Kingsland, Continued

i was wondering because uh

128:36

about if they had offered you anything

128:38

to give a story

128:40

uh because i know that's been said

128:43

uh by more than one person and so i had

128:46

wondered about that

128:48

so todd himself i want to make

128:51

i want to make a video just tell me what

128:54

you think about it like i want to make a

128:56

video

128:58

and just speak my side of everything

129:00

that i know

129:02

and that's everything like speak my

129:04

truth

129:06

and like i don't want to post it on

129:07

impulse

129:09

i don't want anyone to see it you know i

129:11

mean like

129:13

well let me tell you this if you did

Declaration of Linda Kingsland, Continued

129:15

something like that you need to let

129:17

let me talk to some people and

129:20

help you with that and get it done

129:22

correctly and get it put out correctly

129:25

and not

129:26

intimidating or not

129:29

in a situation where it's going to end

129:32

up causing you any issues

129:34

i know that's my goal and like i don't

129:36

know

129:37

i know i cannot do this by myself

129:39

exactly well don't do it

129:40

don't do anything and let me talk to

129:43

some people and see

129:45

if we can't help you get that if we

129:48

can't facilitate that and get it done

129:49

for you because i don't want you to put

129:51

yourself

129:52

Declaration of Linda Kingsland, Continued

in a situation to where you end up going

129:54

through the same type of hell that

129:55

whitley's going through

129:59

you know i i but see i was told that

130:02

tyler

130:03

that tyler came to you and that that he

130:05

was the one

130:06

exactly what happened because that's

130:09

kyle's like one of his

130:10

childhood best friends so kyle was

130:13

talking to me

130:14

tyler was talking to me you know like

130:18

and so i don't know it was just a lot of

130:20

pressure and then around that time

130:23

i think whitley was so mad

130:26

she wasn't mad i think she felt left out

130:30

when i got there like because i left my

130:32

stuff

130:33

at her house and she like wouldn't give

Declaration of Linda Kingsland, Continued

130:35

it back to me

130:36

because she said she deserves it for the

130:39

way i shoot it on our friendship

130:42

because i guess like i wasn't giving her

130:45

the attention

130:45

as much as i was but because i had

130:48

gotten in a relationship with kyle at

130:49

around that time

130:51

yeah well oh

130:56

and i just know i just know willie was

130:58

just hurt more than anything cause you

130:59

know y'all have been friends off and on

131:01

for for years so i feel like just more

131:04

than anything that hurt her

131:06

you're breaking up you're breaking up

131:08

can you hear me

131:09

yeah yeah i know and like that's why i

131:13

just want to like

131:15

Declaration of Linda Kingsland, Continued

like i don't want to do this for myself

131:17

i don't give a [__] about me i know i'm

131:18

going to go out

131:19

looking like the bad guy regardless and

131:21

i'm prepared for that

131:28

did you say that she told you that it

131:30

was

131:31

like uh i don't okay so

131:34

everything that was said was just

131:36

hearsay

131:37

between michaela oh see i don't even

131:39

want to say her name like i don't see

131:41

anyone's names

131:42

yeah at all like i don't want to speak

131:45

without anyone else

131:46

but i mean like i want to put all of it

131:49

in

131:50

a video yeah i understand but

131:53

yeah i was just wondering because in

Declaration of Linda Kingsland, Continued

131:54

there you mentioned something about it

131:56

was like

131:57

like it was a freak accident well yeah

132:00

and that's something i've

132:01

never heard whitley say and i've talked

132:03

to her about it

132:04

hundreds of times you know and she's

132:06

never said anything about a

132:08

freak accident all she's ever told me

132:10

was her walking into there like that

132:13

that's the only story we've ever heard

132:15

is her walking in and finding him like

132:17

that and

132:18

that the only thing she's ever said is

132:21

that she felt

132:22

guilty about the fact that it happened

132:25

we've never heard her say you know that

132:27

she had any

132:28

Declaration of Linda Kingsland, Continued

guilt for or an action that caused it

132:31

other than the fact that she was

132:34

you know cheating on him because that

132:36

was just

132:39

hearsay it was all literally

132:43

like just stuff that was going around in

132:46

circles

132:47

like and they were like and even ray

132:50

sent my mom a message on facebook the

132:52

other day

132:54

and it said word for words let me see if

132:56

i can pull it up

132:58

basically what it just said it was like

133:04

i wonder if you don't find it

133:09

it was like we never intended for the

133:12

interview to be

133:13

released due to jordan's safety and

133:15

privacy

133:22

we never released it to anyone

Declaration of Linda Kingsland, Continued

133:33

well it was in the file the recording

133:35

was in the case file

133:37

yeah this was like mbi released it

133:40

no uh well the attorney general's office

133:42

released the entire file that had

133:44

everything in it

133:45

this is what it said marianne i wanted

133:47

to let you know

133:48

so you could let jordan know which she

133:50

could message me

133:52

that her interview was in that file that

133:54

the ag there's okay yeah okay i just had

133:56

it mixed up

133:57

that's an ag unit released and then this

133:59

guy released to everyone

134:00

we have never told anyone about the file

134:02

or jordan for her safety

134:04

she mentioned philip moore in there

134:06

Declaration of Linda Kingsland, Continued

someone sent me a message last night

134:08

asking if i knew about the interview i

134:09

said yes that is our interview

134:11

how do you have it she said it was in

134:12

those files that they released you

134:14

should call the ag unit and blast them

134:16

they have endangered someone for no

134:17

reason

134:18

but she's telling my mom to call the ag

134:21

unit and blast in

134:24

you should call the ag unit and blast

134:26

them they have endangered someone for no

134:28

reason

134:30

did ray know anything about uh

134:34

the offer that tyler made you and that

134:36

and

134:37

and what todd gave me i assume because

134:40

like i didn't even arrange this

134:43

this was like kyle guiding me through

Declaration of Linda Kingsland, Continued

134:46

this

134:48

he was like i don't know what i'm not

134:51

saying it was just kyle you know like

134:53

well why did it turn

134:55

i i have never i have never talked to

134:57

anyone well how did

134:59

how did it turn from 10 000 to 500

135:02

in a mason jar of weed

135:06

i don't know that's what i'm wondering

135:09

how

135:10

i was like young as hell yeah

135:13

that's why i'm wondering how it ended up

135:15

being 500 versus 10 000.

135:19

it's like that like not like i would

135:21

never do that a day in my life now

135:24

yeah and money's not everything but did

135:27

it was it cash that they gave you or a

135:29

check

135:30

Declaration of Linda Kingsland, Continued

gosh i think they know better

135:33

yeah yeah exactly because it's traceable

135:37

okay well well look i'm i'm not upset

135:41

with you

135:41

i understand i know they i know they

135:43

played on a lot of

135:45

innocent people you know and and and the

135:48

fact that whitley

135:49

you know we know whitley you know made

135:51

some enemies along the way we know she

135:53

pissed people off along the way and i

135:55

think

135:55

and that's one thing i've told her he

135:56

never deserved that

135:58

no exactly and that's one thing i've

136:00

told her you know with dallas i'm like

136:03

you know looking back now dallas

136:04

realized she made a mistake i said

136:07

i mean like she like i told her i was

Declaration of Linda Kingsland, Continued

136:10

like i knew i was gonna lose you forever

136:12

you know

136:12

like and i mean

136:18

like you said when we first got like

136:20

started the conversation like

136:22

you don't think any of us knew the

136:24

extent of what was really going on

136:26

yeah exactly well

136:30

i want you to do this for me just hang

136:32

tight don't

136:33

don't talk about it anybody else if i

136:35

come back to you don't talk to them

136:38

because they they try to manipulate

136:40

people and play on

136:41

on words and stuff and they try to take

136:43

snippets out of stories and

136:45

and use just that so don't talk to

136:48

anybody

136:49

Declaration of Linda Kingsland, Continued

and let me see if i can't figure out a

136:51

way to facilitate

136:52

to do an interview with you

136:55

i will go as far as a polygraph test

136:58

okay they didn't give me one before they

137:01

acted like they were going to

137:03

but then they were like they didn't they

137:06

backed out you know what i mean like in

137:08

that same day

137:10

well let me talk to some people for you

137:14

just like i said if you just don't talk

137:16

to anybody else just kind of keep

137:18

yourself to yourself

137:21

just and give me i'll get back with you

137:23

probably first and next week sometime

137:25

and see if we can't

137:26

facilitate some type of something and

137:29

work out a way for you to get this out

137:31

there

Declaration of Linda Kingsland, Continued

137:32

okay all right i'm gonna help you i

137:34

promise okay

137:36

all right and we're gonna make it all

137:38

right okay

137:40

okay in the meantime feel free if you

137:42

need to call me text me anything got

137:44

questions

137:45

do it i'm you know i'm i want to help

137:48

you get through this

137:49

okay i want to help whitley

137:52

okay let's focus on

137:56

what really matters because i know i'm

137:58

going to look

137:59

like [__] regardless

138:02

but i appreciate it a lot and well and i

138:05

appreciate you wanting to help whitley

138:07

that's

138:07

that's that's stand up of you wanting to

138:09

Declaration of Linda Kingsland, Continued

make things right now

138:13

and i know i know i know you've got the

138:15

best

138:16

best uh at heart i know i know you've

138:19

got a good heart deep down i know you

138:20

want to do what's right so

138:22

we're gonna make it work okay okay i'm

138:25

ready

138:26

all right all right all right thank you

138:28

have a good day

138:29

you too bye-bye okay and here

138:33

is jordan's video and you guys can

138:36

decide for yourself

138:39

how you feel about it what you believe

139:01

hi um so my name is jordan i'm sure the

139:04

last time you guys heard of me

139:06

or from me was from my podcast when i

139:09

was 16 years old

139:11

and that's and there's just some things

Declaration of Linda Kingsland, Continued

139:13

i want to say about it some things that

139:14

i want to

139:15

get off my chest and just to really like

139:18

inform you guys and let you guys know

139:20

um so one being everything i said was

139:25

hearsay

139:26

everything was hearsay i was told at 16

139:29

years old that i would receive ten

139:30

thousand dollars

139:32

to provide a story to the androcchios

139:34

when all

139:35

i received was five hundred dollars and

139:38

a jar of some really really low grade

139:39

weed

139:40

from todd andrakio and yes i do have a

139:42

witness

139:43

two

139:46

i don't believe it was a murder in fact

139:49

Declaration of Linda Kingsland, Continued

i know it was a suicide

139:51

um i didn't know the severity of the

139:54

situation at that time in my life

139:57

you know like i did it

140:02

and i i wish to god that i would have um

140:07

i don't even think rey had the chance to

140:10

mourn the death of her son

140:12

before she started to want to blame

140:16

you know like i think there's two things

140:18

about suicide that we all know

140:20

that one you never it's always going to

140:23

be the person we least expect

140:25

for one like it's always always going to

140:27

be the sunshine

140:30

in the group that's you know that's

140:32

hurting the most because you never know

140:34

what someone is going through

140:35

internally you never know what certain

140:36

words or actions

Declaration of Linda Kingsland, Continued

140:38

or something that triggers people you

140:40

know like trigger certain emotions

140:42

for people um you know it's like be

140:45

mindful

140:46

of that as well you know from here on

140:48

out like just in the future and like

140:50

with your friends and family and stuff

140:52

like you know and you also never know

140:56

someone's past like what has traumatized

140:58

them and like we're all human we all

141:00

take damage certain ways and we all

141:01

handle damage certain ways

141:04

and i'm also like one thing that i am

141:07

very aware of that won't leave my mind

141:09

is how fake i was and how i voted on

141:13

someone that would never do that to me

141:15

and someone that i really love

141:18

you know like what's

141:22

Declaration of Linda Kingsland, Continued

like i voted

141:26

okay

141:30

and i'll carry that on my back for the

141:31

rest of my life

141:35

i will and so will she

141:42

you know

141:47

you guys are all being motivated you're

141:49

getting caught up in the hearsay just

141:51

like i did

141:55

um you know

141:58

you guys want justice for christian but

142:01

you're not giving him any because his

142:02

message hasn't even been heard

142:08

um i'm sorry lily

142:11

i'm sorry to everyone that i deceived

142:15

and

142:18

so i really have to say um

142:23

be nice please

142:29

okay so um for the people

Declaration of Linda Kingsland, Continued

142:33

for the people that are confused

142:37

that is jordan the one

142:40

who was her statement

142:44

on record is that i didn't find her

142:47

video to be cringy

142:48

i i found her to be um sincere

142:52

in her regret as she said to

142:56

frank she was young she folded

142:59

on her friend she sincerely regrets it

143:02

she wants to do the right thing

143:04

she wanted to do this video i thought it

143:06

was brave of her

143:08

to do the video she didn't have to she

143:10

did it

143:11

um to say that she's sorry

143:15

for folding that's exactly how she said

143:18

it for folding she was

143:20

16 when rey

143:26

Declaration of Linda Kingsland, Continued

offered her a bribe to tell

143:30

a story about whitley being

143:34

involved

143:37

i mean and and then todd

143:41

christian's father now this is according

143:44

to jordan

143:45

todd allegedly gave jordan 500

143:48

not the 10 grand that was promised but

143:50

500

143:51

and a mason jar full of weed

143:55

full of dirt weed now again

144:00

if true this certainly paints the

144:03

androcchios in a

144:04

horrendous light that they're

144:08

bribing and manipulating young people

144:11

but yet sit in their echo chamber their

144:14

army group

144:16

and virtue signal about young kids being

144:18

on drugs

Declaration of Linda Kingsland, Continued

144:20

and and blast dylan over the head for

144:22

drug problems but yet

144:25

if true they're attempting to give

144:29

any legal substance last i looked it's

144:32

not legal in mississippi

144:33

and it certainly wasn't back in 2017

144:37

attempting to give an illegal substance

144:40

to a 16 year old

144:42

in order to get that 16 year old to say

144:45

what she wanted her to say

144:49

i mean i don't know how the sycophants

144:53

and rey's army can defend that

144:56

i'd love to hear them defend that i'm

144:59

sure they're going to come along

145:00

and say that jordan was lying

145:04

all right let's go back to my photo

145:08

shares

145:14

so let's go back to the funeral and i'm

145:18

Declaration of Linda Kingsland, Continued

really glad that dylan is still in chat

145:20

so back in 2019

145:24

a post was made in jfc asking

145:27

if dylan came to the

145:30

funeral and this lori responds and says

145:34

dylan was at the graveside service my

145:36

daughter and i saw him and kind of

145:38

nodded our head at him

145:39

this was before we knew anything was

145:41

going on with him

145:42

josh christian's brother responds and

145:44

says they were not allowed

145:46

at the funeral whitley texted me the day

145:48

of the funeral to defend herself saying

145:50

she didn't do it

145:52

the day myself and two others went to

145:53

get chris christian's jeep from

145:55

vicksburg dylan tried to approach me at

145:56

a gas station i assumed to say he didn't

Declaration of Linda Kingsland, Continued

145:58

do it

145:59

he didn't get a chance to say anything

146:01

before i was grabbed by a friend

146:03

and put back in the truck

146:08

josh continues oh wait sorry

146:11

same one alexa chimes in

146:14

i didn't see dylan at the funeral home i

146:16

saw him at the graveside and told him to

146:18

leave when i realized he was there

146:20

they were not allowed

146:24

alexa ray gives a different version

146:27

what dumbass would be oh no wait wait

146:29

wait no wait wait wait wrong screenshot

146:31

that's about robbing the bank

146:33

um danielle says i know this is

146:35

completely off subject but can

146:37

anyone tell me if whitley or dylan

146:38

attended christian's funeral or anyone

146:40

Declaration of Linda Kingsland, Continued

else that was involved in this murder

146:42

ray responds and says they did not

146:45

danielle responds by choice or they

146:46

weren't allowed

146:47

ray says they weren't allowed

146:54

so before we go on to that the next one

146:56

i want to say

146:58

that dylan has told me

147:02

categorically he did go to the funeral

147:06

he went and dylan you're you're in chat

147:08

so

147:09

um you want to clear up these

147:12

falsehoods that have been told in the

147:15

army

147:16

group in the jfc group he was there for

147:19

the funeral he was there for the service

147:21

and he was their great

147:22

graveside so

147:25

my question would be again why

Declaration of Linda Kingsland, Continued

147:29

lie in the echo chamber why

147:32

tell this lie that they weren't allowed

147:35

at the funeral

147:39

seems a little strange to me

147:50

seems a little strange to me all right

147:52

next screenshot

147:55

from within the another one of the

147:58

uh echo chamber groups

148:02

2 536 days since christian was murdered

148:06

how's that for rhetoric dylan you gonna

148:09

hide behind mommy forever

148:12

blake chimes in there's a lot of room

148:14

behind old girl

148:16

again just to illustrate the peasant

148:19

mentality because no show would be

148:21

complete

148:22

without throwing out the

148:25

peasant mentality for you all to witness

148:28

Declaration of Linda Kingsland, Continued

with your own two eyes

148:30

and um for me to take to task

148:34

this is ridiculous this kind of nonsense

148:38

is cruel it's

148:41

immature and it does nothing to honor

148:46

the young man that you have in the name

148:49

of your group

148:51

and the name of your group being highly

148:54

highly charged rhetoric

148:58

let's go back to this one alexa in the

149:01

group

149:04

stirring the peasants what dumbass would

149:08

believe they could walk into a bank and

149:10

say hey

149:10

my friend gave me his pin and told me to

149:13

come take all his money

149:14

stupidity really courses through their

149:16

veins huh and dylan couldn't rob a fly

149:19

unless he has a female there with a gun

Declaration of Linda Kingsland, Continued

149:22

to save his butt just to again

149:26

illustrate and set the picture about how

149:29

the family

149:30

has been for five years participating

149:33

in this social media spitball throwing

149:37

and mud slinging and

149:41

cruelty towards dylan and his mom

149:44

and i want you to remember what i told

149:48

you

149:49

put it in context with rey

149:52

admitting she doesn't believe dylan did

149:56

anything wrong that day

149:57

she just wants to apply pressure they

149:59

just want to do this kind of stuff

150:01

to apply pressure to intimidate him to

150:04

bully him to harass him

150:06

to embarrass him humiliate him humiliate

150:09

his mother

150:10

Declaration of Linda Kingsland, Continued

to try to get him to say what they want

150:14

him to say

150:15

about whitley make no mistake about it

150:18

i really do believe that whitley

150:21

is rey's number one target

150:26

i don't even believe that it's dylan i

150:29

believe that whitley

150:30

is her target and always has been her

150:32

target and

150:34

in upcoming shows

150:37

i'm going to be sort of honing in on

150:40

that

150:41

and getting to the bottom of why i

150:43

believe

150:45

whitley is ray's number one target and

150:48

everyone else just goes

150:50

along with her making whitley a target

150:54

and yeah whitley then judd then dylan

150:58

yes jared very so okay and so before i

Declaration of Linda Kingsland, Continued

151:01

begin the panel

151:02

i have one more screenshot that i want

151:04

to respond to

151:06

truth bomb i'd like to respond to your

151:08

very nasty

151:09

comment that you left in my comment

151:11

section telling me that

151:13

my personality has become very

151:15

unappealing my personality has changed

151:18

not a single iota truth bomb so

151:21

not sure what you're talking about same

151:22

old me has been from day one

151:26

you said even if you are right on a

151:27

topic your delivery is so off-putting

151:30

the way you over accentuate and

151:32

pronounce words like you are out of

151:34

breath is not doing you any favors

151:36

well excuse me truth bomb i have been

151:38

Declaration of Linda Kingsland, Continued

out of breath lately i i have

151:40

i have been at the brink of exhaustion

151:44

for the last two weeks i'm not sleeping

151:47

very well

151:48

i'm a little stressed out so thank you

151:49

for noticing that i've been a little

151:51

breathless

151:51

and out of breath thank you for drawing

151:53

that to my attention and reminding me

151:56

that i'm at the point of exhaustion

151:58

and then using it as a way to insult me

152:00

it's really awesome of you

152:02

you then go on to say i give you this

152:04

advice as someone who used to be a

152:06

faithful and supportive listener however

152:07

i hardly recognize your name i'm not

152:10

even sure who you are

152:11

i may have seen you once or twice you've

152:14

changed and not for the better

Declaration of Linda Kingsland, Continued

152:16

your butchie presentation

152:21

and tough guy persona is laughable

152:24

just be yourself don't become a meme

152:27

of nancy grace your makeup mistakes

152:31

are even starting to mimic hers

152:37

truth bomb i have never

152:41

i've done my makeup the same way i've

152:44

used different

152:45

products but i've done my makeup the

152:47

same way

152:48

since i was 15 years old

152:51

i use foundation i use pressed powder

152:55

i use loose powder light blush

153:00

and mascara and that's it occasionally

153:04

i might put eyeliner on black i might do

153:06

smokey eyes

153:08

if i'm feeling sexy and in the mood

153:11

i've done it the same way as i've done

153:14

Declaration of Linda Kingsland, Continued

it for two years

153:15

truth bomb so she finishes up you can do

153:19

as you wish

153:21

but for a so-called critical thinker you

153:23

should at least consider this

153:24

constructive

153:25

criticism well thank you so much truth

153:28

bomb

153:29

for that constructive criticism really

153:33

appreciate it i'll take it to heart and

153:35

i will stop doing my makeup like nancy

153:37

grace

153:40

um i have time for a

153:44

couple panelists i can't go long because

153:47

i it's late already

153:48

it's almost midnight uh we can go maybe

153:52

15 minutes half an hour i know you guys

153:53

are itching for the old critical k

153:55

debate

Declaration of Linda Kingsland, Continued

153:56

and i promise we're gonna get there

153:58

we're gonna get there we're getting

153:59

there but i need to take a couple days

154:01

off i have been exhausted lately i know

154:03

i have been i look it

154:05

and i need to take a couple days and

154:07

just get some r r

154:08

and do some self-care and spend time

154:10

with my husband

154:12

so if we have a couple people that want

154:14

to come up on panel i have time to

154:16

entertain a couple

154:19

but the very serious debate

154:22

is going to have to wait until

154:27

and maybe end of next week

154:30

and thank you very much dylan please

154:32

let's put some hearts up in chat for

154:33

dylan

154:34

Declaration of Linda Kingsland, Continued

um he was nervous when we did our

154:37

sit-down recording

154:38

um he wasn't nervous at all over the

154:41

past few days when we've been having

154:44

our one-on-one conversations he's been

154:46

very open and honest with me

154:48

i believe him uh my gut

154:51

instinct and my discernment tells me

154:54

he is has been a hundred percent honest

154:57

with me

154:58

and this poor guy has just really been

155:02

raked over the coals both in his

155:05

community and on social media

155:07

and for those of you that want to get

155:08

all defensive of kendall ray you can get

155:10

all defensive of kendall ray i don't

155:12

really care

155:13

uh just know that if you're a fan of

155:14

hers you're probably not gonna

Declaration of Linda Kingsland, Continued

155:16

like when i take her to task and i'm

155:18

going to

155:19

i'm going to take her to task because

155:21

she certainly

155:22

contributed to the

155:26

false narratives surrounding this

155:29

very tragic story and

155:32

she did no favors to anyone

155:36

and she didn't even do any favors to

155:37

herself you know i have a real problem

155:40

with true crime youtubers who

155:44

they just play it safe she in my opinion

155:47

she's played it safe

155:48

she went the safe route i think what i'm

155:51

doing

155:51

is probably pretty crazy i'm inviting

155:55

probably inviting a lot of problems

155:58

i'm inviting a lot of haters once again

156:02

Declaration of Linda Kingsland, Continued

i'm going to have the mob coming at me

156:06

kendall ray is probably really terrified

156:08

of having a mob coming for her so she

156:10

played it safe she went with the

156:11

mob mentality it's just not how i roll

156:14

can't do it

156:15

i can't do that i absolutely can't

156:18

i wouldn't be able to look myself in the

156:20

mirror

156:21

so if you're a big fan of kendall ray

156:23

and you think she's just fabulous and

156:24

you think she did a great job covering

156:26

this case

156:27

then you're not gonna like what i have

156:30

to say about her

156:31

and i'm gonna break down the things that

156:34

she said

156:34

and i'm gonna expose the lies and i'm

156:37

gonna continue to work really hard

Declaration of Linda Kingsland, Continued

156:40

on exposing that what's really been

156:42

going on behind the scenes

156:46

hey jared welcome to the panel hey hey

156:49

what's up

156:50

oh getting ready for the next week yeah

156:53

i know right

156:57

so what do you think

157:00

give me a reading give me a rating thank

157:02

you critical thinker

157:04

give me a rating one on one one is being

157:06

horrible 10 the best which what you got

157:08

for me jared

157:10

uh i only heard half of dylan's i gotta

157:12

go back and re-listen

157:13

when it's uh it's over but uh

157:17

i have to give it to 10. thank you yeah

157:21

yeah i have to give it a 10. i just

157:22

wanted to say the main thing

157:24

Declaration of Linda Kingsland, Continued

i got on here you'll notice and i think

157:26

i've told you this before when they

157:27

can't argue

157:28

facts they'll start going after your

157:31

so yeah you got to blow that off and

157:34

realize that

157:35

that means you're doing something right

157:36

so yeah well i

157:38

i i didn't it didn't get to me i only

157:40

showed it

157:41

for you know comedic purposes because

157:44

it's just ridiculous you know

157:46

it's ridiculous but you're right they're

157:49

they're

157:50

they don't just go after appearance they

157:52

sometimes get much worse than that

157:54

oh yeah they they sometimes do much

157:55

worse than that i'm ready

157:57

i'm ready for them i'm ready for the

Declaration of Linda Kingsland, Continued

158:00

sycophants and the mob

158:02

um i haven't been seeing a lot of them

158:05

which has got my wheels turning that

158:09

the circle of people around ray

158:12

that believe what she says might be

158:14

smaller than we think

158:16

well i i kind of dabbed on that when we

158:19

were texting the other day that there's

158:20

a lot of people that

158:22

just tend to stay out of it or if they

158:25

do they don't want to be on the wrong

158:26

side because of the way they've seen how

158:28

people have been treated

158:30

and another part of that is is she

158:33

controls everything

158:35

that is released through her social

158:38

media and who's allowed to see what

158:40

she doesn't want people seeing the case

158:43

Declaration of Linda Kingsland, Continued

file

158:45

and so she controls

158:48

who's allowed to post what and what's

158:50

posted so

158:51

there's a lot of people in her jsc group

158:54

or whatever

158:54

that aren't even aware this is going on

158:56

now because

158:58

when they find out that's going on it'll

159:01

never be allowed to be posted in the

159:03

group

159:03

because somebody might get

159:06

alternative facts or the actual facts in

159:08

this case

159:10

and the other thing is uh even if they

159:13

are aware of it they wouldn't be allowed

159:14

to mention it

159:15

or discuss it and if it was even

159:18

perceived that they

Declaration of Linda Kingsland, Continued

159:19

listened to it they risk being kicked

159:22

from the flock and

159:24

treated the way other people have i mean

159:26

it's

159:27

it's cultish well they've made examples

159:30

of people you being one of them the way

159:33

i showed it on my previous episode i

159:35

show

159:36

i showed how just vitriolic

159:39

they were towards you and how they do

159:42

they they get aggressive and they go

159:44

after people and they make

159:45

examples of them and you best believe

159:47

that other people

159:49

like you said in the flock or in the

159:51

group they watch this and they're like

159:53

oh [__] well i better never speak out of

159:55

dirt like

159:56

Declaration of Linda Kingsland, Continued

i better never question ray's official

159:58

narrative

159:59

right right because you i mean i don't

160:02

blame anybody

160:04

i've got broad shoulders and a thick

160:05

head i can take a lot but

160:07

the stuff they do i can see how somebody

160:09

wouldn't want that

160:10

directed at them yeah i mean a lot of

160:12

people are afraid of that there

160:14

are a lot of people are afraid of being

160:16

made an example of an

160:17

and a target i mean it they'll dox you

160:20

they'll they'll probably work they'll

160:22

try to you know

160:24

they've tried to get people fired from

160:26

their jobs stuff like that and

160:28

times are rough enough as it is without

160:30

having to

Declaration of Linda Kingsland, Continued

160:31

put a target on your back for speaking

160:34

out for the truth and that's sad

160:36

but it's it's the situation we live in

160:40

and it was really disappointing to see

160:44

the 48-hour show i just

160:48

how irresponsible of them i don't know

160:50

why i'm surprised

160:52

i'm not really surprised i know how the

160:53

mainstream media is

160:56

but it's just so disappointing every

160:58

time i see them do that

161:00

like peter yeah it doesn't sell it's not

161:03

gonna

161:03

generous that this poor struggling mom

161:07

that has been

161:08

screwed over by the systems fighting for

161:10

justice that's your story there and

161:12

brockovich spin to it

161:13

Declaration of Linda Kingsland, Continued

you know and that's what they all put on

161:15

it so

161:17

it's a lot to go through and part of it

161:20

is

161:20

i don't think they had the case file

161:23

they weren't able to look at it and if

161:24

they were

161:25

is what was hand fed to them by people

161:28

you know that wanted them to see what

161:29

they wanted them to see

161:31

i think i've read that you can't foil

161:33

the case or file anymore

161:35

given the current situation and so

161:38

you know they're i'm not taking up for

161:41

48 hours or any of these people but

161:44

you have a responsibility to investigate

161:47

and yet the information that you're

161:48

putting out to the public

161:50

and unfortunately we've seen time and

Declaration of Linda Kingsland, Continued

161:52

time again in this situation where that

161:54

hasn't happened

161:55

not just with media but i mean also

161:57

doctors and different people but

162:00

we get opinions from people that have

162:01

half the information

162:03

and you can't do that this is people's

162:06

lives we're talking about

162:08

and the 48 hours like if i if i'm just

162:10

somebody and i don't know

162:11

anything about what's really going on

162:14

and i'm just an

162:14

average oh yeah you're you you're you

162:17

really

162:18

are led to believe this narrative

162:22

that yeah i i heard

162:25

the first couple i've seen the crime

162:26

watch daily and i'll be honest with you

162:29

Declaration of Linda Kingsland, Continued

and i've told dylan this and i've
162:30
apologized for it
162:31
i believed it oh yeah he did that they
162:33
did that
162:35
yeah this is murder and then
162:38
like i said i started off on in jfc
162:40
after that you know because i started
162:42
listening to culpable and
162:44
you know i believed in the cause because
162:46
that's all i
162:47
had ever heard and
162:51
then you you get into it and you realize
162:53
well somebody's lying and there's proof
162:55
of the lies
162:56
why would they lie if they've got the
162:58
truth on their side and this is about
162:59
seeking justice
163:00
why do you have to make up evidence or
163:03
anything like that and you know you ask

Declaration of Linda Kingsland, Continued

163:06

one question

163:07

it's out of line and like i said i woke

163:08

up the next morning i just asked a

163:10

simple question i thought it was a fair

163:12

question and

163:13

i'd been booted from jfc and i thought

163:15

you know those are those are red flags

163:18

and that's what really caused me to dig

163:19

in deeper but

163:22

when you hear stuff like that yeah you

163:25

take it for

163:25

gospel because we'll have you know this

163:27

is cbs this is

163:30

a national network obviously peter

163:32

vanzant's done his homework or his

163:34

producers or whoever and

163:36

you don't know any better but uh there's

163:39

enough people out there now

163:41

Declaration of Linda Kingsland, Continued

like you and you know other people that

163:43

have been around

163:44

that have started to say you know this

163:47

isn't right and hopefully this gets

163:48

the right kind of attention from once

163:51

and people's lives can start

163:53

to be restored and the

163:56

families can be you know live in peace

164:00

for once and they've not had that for

164:01

seven years

164:02

well seven years is a long time that's

164:05

we're talking about we're three hours

164:07

away from it being

164:08

a decade where these young people's

164:11

lives have been ruined

164:13

destroyed it's not just the kids which

164:16

is

164:16

is don't they get me wrong that's the

164:18

tragedy in itself but it's their

Declaration of Linda Kingsland, Continued

164:19

families yes

164:21

and other people too that you know

164:23

imagine seeing when your kids go through

164:25

this

164:27

first of all just the initial losing a

164:29

friend like that

164:30

but then to add insult to injury

164:33

to have attack yes yeah to have the

164:36

family

164:38

aggressively blaming you for it trying

164:40

to force

164:41

people to believe

164:44

your narrative

164:47

and then have these crusaders just jump

164:49

on the bandwagon without any facts and

164:51

blindly believe everything that's said

164:53

you know i don't get mad at jf sears

164:55

that don't know better

164:57

Declaration of Linda Kingsland, Continued

because like i said they're protected

164:58

from all the facts they don't get

165:00

the full story but these people there's

165:03

a there's a group of people that

165:05

that are aware of the facts that have

165:06

seen how this has been twisted

165:09

and they're the diehards that are still

165:11

in there

165:12

floating these false narratives that

165:14

have been disproven by people over time

165:16

by the case file and different things

165:17

like that that still continue this

165:19

crusade

165:20

and that's what really bugs me that's

165:21

when you're not dealing with an

165:22

uneducated or an ignorant person who

165:24

doesn't know better

165:26

that's where we started getting into

165:28

intent maliciousness

Declaration of Linda Kingsland, Continued

165:30

yeah malicious malicious continuing

165:33

continuation of the let's talk about

165:35

someone else who's really

165:37

um gotten it bad from the androcchios um

165:40

cassie the d.a who was featured in 48

165:43

hours

165:44

um can you tell my audience a little bit

165:46

about what she's been through and

165:48

what the status is with her currently i

165:51

it's the current status i don't want to

165:53

get a whole lot into

165:55

all that uh cassie is

165:58

is more than capable of handling herself

166:01

she appears to be

166:02

yeah she's a tough cookie we're very

166:05

lucky

166:05

to have her as our district attorney

166:09

she's a very intelligent and bright and

166:12

Declaration of Linda Kingsland, Continued

smart
166:12
and able-bodied uh
166:16
prosecutor uh but what this effect the
166:19
effect has had on us is
166:22
you know ray and her her her friends
166:24
have have attacked her viciously
166:26
for not doing their bidding and
166:30
what you get into is you start seeing it
166:32
starts tainting the jury pool
166:34
where people start believing there's
166:36
corruption that's not there but they
166:37
start believing it's there
166:39
and it makes things harder for cassie to
166:42
actually prosecute actual crimes
166:45
you know not false narrative
166:48
crimes that have been made up by
166:50
somebody that's grieving or can't handle
166:51
the truth
166:52
but it's made our community less safe

Declaration of Linda Kingsland, Continued

166:55

and

166:56

i don't know if you know about meridian

166:57

mississippi but i moved here

167:00

you know going on six years ago it's it

167:02

wasn't a safe place to start with

167:04

mm-hmm it's making her job

167:08

and law enforcement's job harder to

167:10

protect the citizens

167:11

and do the jobs they need to do to make

167:14

this a better place

167:15

it's really divided this community and

167:19

there's no need for it there's no need

167:21

for any of it and

167:22

like i said it's it's awful to see what

167:25

they've done

167:26

to hurt and set back

167:30

this community and separate it even

167:32

further

167:33

Declaration of Linda Kingsland, Continued

and it's horrible it's hard to clean

167:36

like i said there's a lot of moving

167:37

wheels and everything

167:39

i'm not going to speak for cassie

167:40

because i'm not that smart

167:43

cassie's she she yeah um

167:46

but i just want the audience to know

167:48

that there are issues there

167:50

there are there are very many issues

167:52

where they're attacking our

167:53

our district attorney um not just

167:56

attacking they're harassing her

167:59

oh yeah i've seen the you need to call

168:01

this phone number or this is their email

168:03

everybody needs to send this form letter

168:05

over

168:05

and blah blah blah and then of course

168:07

the social media has made it where

168:09

everybody can get on there and give

Declaration of Linda Kingsland, Continued

168:10

their opinion

168:11

and uh like i said that's time taken

168:15

away from actual crimes and stuff going

168:17

on that

168:18

and not only that she says in the 48

168:20

hours um that she's received death

168:22

threats

168:23

yeah i wouldn't doubt it and i think she

168:26

even said

168:27

because there's there's uh people being

168:29

run off the road

168:30

there's there's been multiple incidences

168:32

of people being run off the road

168:34

and i think she is one that has been

168:36

subjected to that

168:38

and i think what's really important to

168:40

underscore here is exactly what you said

168:42

this is a she's a civil worker she's

168:46

Declaration of Linda Kingsland, Continued

there to do

168:47

good for the community and she's not

168:49

able to do her job

168:50

because of this one case and the

168:53

harassment that she's

168:55

receiving because of this one case and

168:58

because of the the mob mentality

169:02

that has been ginned up by this family

169:05

that's causing direct harm to the

169:07

community

169:09

it is and that goes along with you've

169:11

got people in politics running for

169:13

different city councils and stuff like

169:14

that

169:17

that when they're low on votes at

169:19

election time they'll latch on to this

169:21

as a as a cause to try to win over

169:24

you know that's an automatic vote you

169:27

know

Declaration of Linda Kingsland, Continued

169:27

if you go i'm going to reopen this case

169:29

well you're a city council person or a

169:31

janitor or something i don't know

169:33

but i didn't think you had the authority

169:34

to open up you know

169:36

but they'll make these promises and how

169:38

on board and all this is and they have

169:39

no

169:40

idea you know it's just what they've

169:42

seen from other people

169:44

you know regurgitating the same

169:45

narratives and lies that

169:47

they're stepping into something they

169:48

don't understand but

169:50

you know do it for the vote i guess and

169:54

it's it's like i said it's divisive

169:57

it's hurt our community that doesn't

169:59

need any more

170:00

Declaration of Linda Kingsland, Continued

hurt and if we didn't have

170:04

any less of a da than what we have right

170:06

now i don't i don't know where we'd be

170:08

but through all this she's managed to

170:10

held her head up high

170:12

with integrity and professionalism and

170:14

continue to do her job

170:16

but you can't help but wonder what could

170:18

she accomplish

170:19

if she didn't have this anchor exactly

170:22

where

170:23

you know yeah proud of her i didn't

170:25

start out i

170:26

actually she was appointed the d.a and

170:29

then she ran for da during the next

170:31

election and

170:32

i was invited to a fourth of july

170:33

celebration where she was going to be

170:35

there and talk and i did not want to go

Declaration of Linda Kingsland, Continued

170:37

like i said i was a jfc you know i had

170:39

an argument with my wife i didn't want

170:41

to be over there around her because she

170:43

she was who she was and i was against it

170:45

and

170:47

i've apologized to cassie for that and i

170:50

actually ended up going to the barbecue

170:51

because well i lost that argument but

170:55

i didn't talk to her i didn't have

170:56

anything to do with her and i stayed

170:58

away from her but uh

170:59

like i said i've i've had to do a lot of

171:02

apologizing to

171:04

you know not only you know dylan and

171:06

whitley but cassie and other people that

171:10

i ran my mouth or said something or

171:11

believed something

171:13

that i didn't have all the facts for

171:16

Declaration of Linda Kingsland, Continued

man that goes against critical thinking

171:18

and everything i kind of believe in

171:20

but that was the information that was

171:22

out there and that's what i consumed and

171:24

that's what i believe

171:25

you know what was the turning point for

171:27

you jared you said that you had

171:28

questioned something and then you got

171:30

removed from the group do you remember

171:32

what it is you that you questioned

171:34

they were on this campaign when the case

171:36

file hadn't been released

171:38

demanding that cassie release the case

171:40

file which the case file at the time

171:42

wasn't even with her it was with the

171:43

attorney general's office

171:45

and so this that was kind of like one of

171:47

the first campaigns against cassie who

171:50

had nothing to do with it up to that

Declaration of Linda Kingsland, Continued

171:51

point because she wasn't

171:53

over it was bilbo before her that it

171:55

handled all the other stuff

171:57

but they were they were really out for

171:59

cassie

172:00

because they wanted the case file

172:02

released well

172:05

they they had people doing the same

172:06

thing including they had mark gillespie

172:08

posted on their

172:10

culpable facebook page about everybody

172:12

needs to send a request

172:13

and foia the case file and shiva waizaki

172:17

was doing the same thing it's been you

172:18

know

172:19

10 days since ray blah blah blah why

172:20

won't you release the case file

172:23

and so you know cassie

172:26

Declaration of Linda Kingsland, Continued

i don't know if you've seen the video or

172:28

whatnot of the the meeting and

172:29

everything did her due diligence and did

172:31

her job thank god went through and did

172:32

it right

172:33

and they attacked her for that but uh

172:35

she released the case file well she

172:37

didn't they g

172:38

did it was never cassie it was

172:41

the attorney general had the case at

172:43

that time anyway they finally the ag

172:45

released the case file and we were aware

172:50

that it it was out certain people had

172:52

received it

172:54

and so it was this deal and i think i'd

172:57

asked if

172:58

ray would post something showing you

173:00

know that frankie was lying

173:02

because frankie had the case followed

Declaration of Linda Kingsland, Continued

173:04

posted something that had contradicted

173:06

something rad been claiming and

173:07

the podcast had been claiming and uh

173:10

first i was attacked for expecting a

173:12

grieving mother to read through that

173:13

case file and

173:14

it released part of it and then i said

173:16

well of course once she's had time to go

173:18

through it and everything like that

173:20

well she released this to the public so

173:22

we can put this to bed

173:23

and that's that's what did it i i don't

173:26

if i got a response it was after i'd

173:28

been kicked out of the group

173:30

it was i was gone my wife was going i

173:32

was gone

173:34

and that like i said threw up the red

173:37

flag where i was like i really think i

173:38

Declaration of Linda Kingsland, Continued

need to look at this case file

173:40

because something's not right

173:44

if you you know if you were pounding

173:47

everybody to look at the case file

173:48

or get it released and you know them to

173:51

release it

173:52

why are you so now against people seeing

173:54

it and then

173:55

you read the case file and it's pretty

173:57

obvious when you read it

173:58

you see why you start seeing all the

174:00

private investigators that greet it with

174:02

suicide

174:04

you start seeing all the stuff that's

174:07

not mentioned on the podcast about

174:09

a deflection or different deflection in

174:12

the bathtub look like a bullet strike

174:13

and debris in the bottom of the tub

174:15

where would have explained away all of

Declaration of Linda Kingsland, Continued

174:18

uh arrington and knox's reports about

174:21

the positioning and what had gone down

174:24

i mean there was all kinds of crazy

174:25

stuff then the text

174:27

it totally painted a different picture

174:29

of the situation that was going on with

174:32

people the threats

174:33

the the lack of relationship between

174:35

people

174:36

stuff like that and uh you know i spent

174:40

i spent some good time with that case

174:41

file and

174:42

i read it and it's it's

174:45

oh it definitely paints a picture so you

174:48

so well let me get this straight

174:50

so they were clamoring for it to be

174:52

released they were demanding

174:54

that it be released and then it was

174:56

Declaration of Linda Kingsland, Continued

released they didn't like what it said

174:58

and then they're angry about it very

175:00

angry about it

175:02

and they don't want anyone going over it

175:05

their groups on facebook and stuff and

175:07

jfc

175:09

that's an automatic boot if you post any

175:11

part of the case file

175:13

what are you kidding me i cannot

175:17

wait i cannot wait to start digging in

175:20

on the peasantry that's really where i

175:22

shine jared is i'm a comedian at heart

175:25

and i really cannot wait to start

175:27

digging my teeth

175:28

into the peasantry that's going on in

175:31

that jfc

175:32

group and i people

175:35

they kick people for yeah it's a very

175:38

controlled environment

Declaration of Linda Kingsland, Continued

175:39

yes yeah well yeah i mean well that's

175:41

what cult leaders do

175:43

well it's a very

175:48

incubated environment to breed hate

175:51

and it's ugly it's very ugly

175:55

it's not justice it's not about

175:58

weighing all the facts it's about taking

176:01

little facts and then exaggerating them

176:05

or misconstruing them to paint a

176:07

narrative that you want while ignoring

176:10

the actual facts the actual facts the

176:12

actual fact

176:13

and it does nothing to honor this young

176:15

man no

176:16

who clearly was in great turmoil i'm

176:18

only partly

176:19

into the text section i've gone through

176:22

the autopsy

176:23

Declaration of Linda Kingsland, Continued

um i've gone through some of the the

176:26

nitty-gritty stuff the

176:28

uh police reports the gunshot residue

176:32

stuff and i know i've been

176:33

texting frank and you and what does this

176:36

mean what does that mean what's here

176:37

what's that

176:37

yeah and um i've gone through some of

176:39

that nitty gritty and i'm now

176:41

on to the text and i only showed three

176:44

tonight but there's a lot there's a

176:46

whole lot and it tells a story and i

176:49

really am all about the story i'm a

176:50

writer

176:51

it really does tell a story and give you

176:54

a picture into what

176:56

was going on in his life and in that

176:59

household

177:00

and in his mind his mind he spoke his

Declaration of Linda Kingsland, Continued

177:03

inner dialogue

177:04

and his frustrations and

177:07

the multiple times that he made

177:11

violent um there was violent rhetoric

177:15

there in terms of i'm gonna

177:18

i'm gonna harm this person then harm

177:21

myself i'm gonna harm him

177:22

you me uh you know the the rhetoric and

177:25

i went over it on my last show

177:27

there's more i mean that's just the tip

177:29

of the iceberg

177:31

but the texts the text betray

177:35

his inner dialogue and the he was

177:38

suffering

177:39

he was hurting he's not the only one his

177:42

brother's hurt

177:44

you know read that read the text his

177:47

brother's hurting

177:48

Declaration of Linda Kingsland, Continued

josh he's hurting i agree

177:51

and alexa it's it's there yeah yeah

177:55

alexa engaged me a couple years ago and

177:57

attacked me and

177:58

wanted to get personal i was like well

178:00

i've got nothing to gain by

178:01

arguing with you alexa i'm not going to

178:03

do this you're a victim too

178:04

as far as i see it and yes i agree

178:08

and so my patience on that has been a

178:12

little

178:12

tested over the years it's he's

178:14

continued to go on with her

178:16

way but i can fully understand it if

178:18

you're looking for acceptance and

178:21

you have this going on and this is a way

178:23

to get your mother's loving approval

178:25

that explains away a lot of this

178:28

well the text the texts lay out that

Declaration of Linda Kingsland, Continued

178:32

reality that mom has a death grip on

178:35

them

178:35

mom is very controlling who they can

178:37

date who they can be with what are they

178:39

doing everything has to be perfect it's

178:40

all about appearances and keeping up

178:42

with the joneses and

178:43

and we and in one series of texts

178:46

that i haven't gone into yet is

178:49

christian admitting

178:50

uh well they just did you see this new

178:52

boat they got of course it's the biggest

178:53

and the best because they gotta outdo

178:55

everyone you know

178:56

so it it it reveals this story about

178:59

this family and you you almost feel

179:01

you you do almost feel um voyeuristic it

179:04

feels voyeuristic and reading it in your

179:06

Declaration of Linda Kingsland, Continued

heart
179:06
like i read it and and i want to reach
179:09
out to christian and say oh my god you
179:12
poor thing
179:12
like this is none of this is worth your
179:14
life like
179:16
all of this will pass like give it a
179:18
year or two
179:19
yeah none of this was worth his life but
179:22
he clearly was
179:23
21 years old very emotionally immature
179:25
and all of this
179:26
got to him it was like i get this sense
179:28
by reading the text in the case file
179:30
that he had so much
179:31
noise going on up there he had so much
179:34
noise
179:35
and and um static
179:39
and it was he wanted to just silence it

Declaration of Linda Kingsland, Continued

179:42

and sadly enough this is often

179:46

uh a reason there's a multitude of

179:49

reasons why people self-harm

179:52

ultimately take their own lives but this

179:54

is one of the more common

179:56

is that they do have so much inner

180:00

turmoil and static and this inner

180:02

dialogue in their brain

180:04

and we all have it we all have inner

180:07

dialogue

180:08

right we all talk to ourselves right go

180:10

ahead you feel like you can't win and

180:12

there's no way out you can't please

180:14

anybody

180:14

and he and it's this comes out in the

180:17

text that he

180:18

felt like he couldn't he couldn't never

180:20

please her

180:22

Declaration of Linda Kingsland, Continued

and he wasn't going to ever

180:25

be able to do and pl and then you add on

180:28

to that

180:29

that whitley i'm sure it became very

180:32

apparent to him

180:33

that he that she had betrayed him

180:37

and betrayed him on top of

180:41

i kind of get it right like i'm sure he

180:43

felt like you know what

180:44

i dissed my family for you i

180:48

put up with this crap day in and day out

180:50

from my mom

180:51

for you i i and and you turn around and

180:54

you do me this way

180:55

right but what christian wasn't

180:58

considering is this girl of 17

181:00

no 17 year old girl is ready to be your

181:03

housewife

181:04

you are very few are right ready at 17

Declaration of Linda Kingsland, Continued

181:08

to be a housewife

181:09

and be stuck at home be your little lady

181:11

at home while you're off on the boat

181:13

for for 30 days at a time or however

181:15

long and

181:16

very few girls can do that and she

181:18

clearly had all kinds of issues of her

181:20

own

181:21

and i'm just curious why is it that you

181:23

think that rey

181:24

with all of her education and all of her

181:26

intelligence she can't see that

181:29

what we see she can't is she just not

181:32

herself not reading the case file would

181:34

you want

181:34

you would you want to see it in

181:37

retrospect hateful truths are

181:39

facing painful truths and facing painful

181:41

Declaration of Linda Kingsland, Continued

realities is how we

181:42

grow emotionally spiritually

181:45

intellectually

181:46

oh i get that they're pink they're

181:48

growing pains right

181:50

and yeah and then you've dug in so deep

181:53

at this point

181:54

that even if it did happen could you you

181:57

admit it i mean that's human nature to

181:58

me

181:59

this is on a much bigger scale but

182:02

people have a hard time admitting when

182:04

they're wrong

182:04

and especially when they feel guilt and

182:07

different things that their actions

182:09

could have led to something

182:10

it's it's easier to blame someone else

182:12

some people are like that not everybody

182:14

it's character it's got a lot to do with

Declaration of Linda Kingsland, Continued

182:17

a person's character

182:18

and how they were raised and stuff like

182:20

that but there's some people that don't

182:22

have that character to admit

182:23

i was wrong we all deal with people like

182:26

that on a daily basis

182:27

but you said something in discord the

182:29

other night too you said that really

182:31

resonated you said

182:32

she's done this all very publicly so

182:34

she's committed to this publicly

182:36

she can't she can't really she can't

182:39

really

182:40

disown it now no no because now there's

182:43

notoriety involved

182:46

that she's got a following of people

182:47

that see her as this martyr or this

182:50

this this person that's

182:53

Declaration of Linda Kingsland, Continued

been horribly wronged and are out for

182:56

justice and so

182:58

that sells that that brings you sympathy

183:01

that brings you friends that

183:02

brings you undying you know devotion

183:05

from

183:05

certain people that don't know any

183:07

better so i get it

183:09

you know but there's got to be a point

183:11

when this finally comes to a head and

183:13

people

183:13

have to stop because you cannot

183:16

you know it's it's not fair it's not

183:19

fair to whitley dylan

183:20

or their families or anyone else and

183:22

it's not fair to that family over there

183:24

to continue to ignore this

183:26

and and try to blame this on other

183:28

people and

Declaration of Linda Kingsland, Continued

183:29

and hurt them i mean eventually

183:33

somebody's you know got to come to that

183:34

realization be it forced or

183:37

on their own that it's time to move on

183:40

and let christian you know rest in peace

183:42

it's horrible

183:44

but there's a lesson to be learned here

183:46

uh there's so much advocacy that can be

183:48

done for self-harm

183:49

and mental illness outreach

183:52

for people and i i think that's

183:56

the the platform you move ahead with if

183:58

you want the notoriety and

184:00

you want the fame or whatever this has

184:02

brought in you i there's no way you

184:03

can't segue it into that

184:05

you know you're going to have to admit

184:06

you're wrong eventually do i personally

184:09

Declaration of Linda Kingsland, Continued

think she has the ability to do with

184:10

that

184:11

i don't know i don't know but there's

184:14

people

184:15

involved in this now that are going to

184:16

have to see this and

184:18

unbury their heads and actually look at

184:20

the facts and who's telling the truth

184:23

and who's not and how much of this has

184:25

been made up and sold and how much

184:27

is this is actually true and can be you

184:29

know backed up by the case file

184:31

and admit they were wrong and apologize

184:34

to some people for the way they treated

184:36

them because this is

184:36

like i said divided this community and

184:38

it's divided friends

184:40

and it's divided families i know

184:43

families this

Declaration of Linda Kingsland, Continued

184:43

is divided whose parents believe one way

184:45

and they don't believe the other way and

184:48

they have had issues because of this

184:51

case alone

184:52

so eventually people are going to have

184:55

to

184:55

to dig down and find that character in

184:57

themselves and

184:58

figure out what they're actually going

185:00

to stand for and if they're okay

185:03

with hurting innocent people that are

185:05

that are still here being victimized by

185:07

this

185:08

and admit they're wrong or if they're

185:10

going to keep

185:11

carrying raised banners for

185:15

well right and i like to think that

185:17

anyone can change anyone can wake up in

185:19

Declaration of Linda Kingsland, Continued

the morning and say you know what

185:21

today's the day

185:22

that i pump the brakes in the direction

185:25

i was going because that direction is

185:27

not getting me anywhere

185:28

right i've caused a lot of hurt and pain

185:32

and i've caused a lot of chaos and

185:33

turmoil and i've ruined a lot of

185:35

people's lives

185:36

today's the day i pump the brakes

185:38

today's the day i put my

185:39

foot on the brakes decide a different

185:42

direction

185:43

and i tend to think that people would

185:46

have a lot of respect for

185:47

ray and todd if they just came out and

185:50

said

185:51

you know what this has gone too far

185:54

there's been too much hurt there's been

Declaration of Linda Kingsland, Continued

185:56

too much pain

185:57

there's been the community is divided uh

186:00

whitley is a disaster right

186:05

think of it as a drug if this was a drug

186:07

that somebody was waking up and taken

186:09

every morning

186:10

and it was ruining their lives and other

186:12

people's lives like you just said

186:14

and you made that conscious decision to

186:16

get rehab or help

186:17

everybody be on your side for that

186:19

that's right

186:20

nobody's gonna get mad at you because

186:22

you got off the drug we look at drugs at

186:24

a certain way and people use them to

186:26

self-medicate and stuff like that

186:28

there's a lot of people that support or

186:30

would support people that are getting

186:32

Declaration of Linda Kingsland, Continued

off an addiction and this is the same

186:34

thing

186:34

it seems to me sometimes this is a drug

186:37

for some people

186:38

and so you know i encourage people to

186:42

seek help and by seek help i mean look

186:43

at the answers and look at the actual

186:45

facts of this case

186:47

and then you know i've never been

186:49

through a nine step program or addicted

186:51

to any drugs or anything like that but

186:53

part of that i think is self-realization

186:55

and coming to terms with the hurt you

186:57

caused and

186:58

i firmly believe like this this case is

187:01

like a drug and there's a lot of people

187:02

that are going to have to do that

187:04

i actually wrote a very uh detailed

187:07

monologue about tragedy addiction people

Declaration of Linda Kingsland, Continued

187:10

become addicted to tragedy

187:12

and they not only become addicted to

187:13

tragedy they also become

187:15

addicted to that group think around that

187:19

tragedy so getting in these facebook

187:21

groups creating echo chambers

187:23

we all agree with one another we all see

187:25

it the same we're a team rob rob

187:27

we're an army rob rob and they go after

187:30

like you said anyone who disagrees with

187:32

them they go after anyone that they

187:34

identify as their target

187:36

dylan has been their target whitley has

187:38

definitely been their target

187:41

you've been their target there's a lady

187:43

named tammy who's reached out to me who

187:45

has been targeted by them

187:46

many people have been targeted by them

187:48

Declaration of Linda Kingsland, Continued

but again i like to think that people

187:51

can people know truth when they hear it

187:54

it has a ring truth has a energy to it

187:58

it has a vibration to it

188:00

and people who really want it and people

188:03

who really

188:04

seek it and people who are really

188:07

nourished by

188:08

it they know it when they hear it and

188:11

i like to think that there are people

188:13

that

188:14

are could be caught in rey's echo

188:17

chamber

188:18

and in her army that

188:22

want out they they recognize the truth

188:25

when they hear it i hope they hear some

188:27

of the things that i

188:28

say in the sense that i make and the

188:31

critical thinking that i'm

Declaration of Linda Kingsland, Continued

188:32

trying to impart to them get off the

188:36

uh mob mentality drug and think for

188:39

yourself

188:40

don't worry about being a part of a

188:42

group or being a part of a

188:45

a club um and think for yourself

188:49

and develop the critical thinking skills

188:51

that it takes to think for yourself

188:52

which will ultimately lead to that

188:54

sharpened um

188:56

discernment where you recognize that

188:58

energy of the truth and you

189:00

you easily you as you go through life

189:03

you will more easily pick up on it

189:05

and that benefits people in all areas of

189:07

their lives it benefits them in their

189:09

marriages that benefits them as parents

189:11

it benefits them in their jobs

189:13

Declaration of Linda Kingsland, Continued

it benefits them with their friendships

189:15

it benefits them with everything

189:17

in their lives from the smallest

189:18

decision to the biggest decision

189:21

and this is why i do this this is why

189:24

i pick out these cases

189:27

yeah i mean we're all available we are

189:31

all

189:31

hey and i've admitted i did it back

189:34

during kyron horman

189:35

i for a hot minute i fell into the group

189:39

mentality

189:40

and the get her getter getter and that

189:43

pitchfork

189:44

you know like i've said in my last show

189:47

uh

189:47

back during the medieval days they just

189:49

came out of their thatchery

189:51

homes with the burning with the

Declaration of Linda Kingsland, Continued

189:52

pitchforks and get kill the beast

189:54

kill the we're all gonna determine who's

189:56

the beast we're to go after them and

189:57

kill them

189:58

yeah we're going to get them we're going

189:59

to get them they still do this they just

190:02

have a different medium now they haven't

190:04

they have social media and it's even

190:06

more dangerous because

190:07

they can reach more people

190:11

in less time and they can build these

190:13

echo chambers

190:15

faster and easier and they quickly

190:19

spiral

190:19

out of control into becoming incredibly

190:22

abusive and powerful and powerful

190:26

and it's just it's and it ties into with

190:30

cult creation because i've tied it into

190:33

Declaration of Linda Kingsland, Continued

the various cults that you know we've

190:37

seen

190:37

develop you know throughout especially

190:41

in the last century many of the cults

190:43

that we've seen jim jones and stuff like

190:44

that and how people

190:46

that's where drinking the kool-aid comes

190:47

from from people just oh yeah blindly

190:49

believing

190:50

and going to their death yeah going to

190:52

drinking kool-aid as you're watching

190:54

people that have already drunk it fall

190:55

down in front of you that's right

190:56

you'll drink yeah i mean the human

190:59

mind's ability to do that

191:00

um to become that gullible and to become

191:04

that easily

191:05

programmed into into believing and like

191:08

jordan said in her video um

Declaration of Linda Kingsland, Continued

191:12

they fold they just mentally fold and

191:14

they go whatever and

191:16

they're and it's it is very cult-like

191:20

and ray might not even realize she's

191:21

doing it like i'm even willing to give

191:23

her the benefit of the doubt

191:24

that she doesn't even realize how

191:26

dangerous it is what she's doing

191:28

and how antithetical it is to the spirit

191:31

of being an american

191:33

it's you know what's popular

191:36

what's right and always popular and

191:40

i i think it's don't i know it

191:44

i think people they are going to have to

191:47

have a chance to

191:48

actually you know it should raise up a

191:50

red flag

191:51

to anyone that sees something there'll

191:53

Declaration of Linda Kingsland, Continued

be no posting of case file materials in
191:55
this group
191:56
why not why not right we're going after
192:00
these people the way we're going after
192:01
them with the vitriol and everything
192:02
that we're spewing
192:04
why are we not allowed to see that
192:07
right right anyway i'm taking up a bunch
192:10
of your time my phone battery is getting
192:11
low better yeah i know my devices
192:13
i do thank you so much jared um an
192:16
absolute pleasure thank you
192:18
hey before i go how about how about oh
192:20
dylan
192:22
what's that i said how about oh dylan
192:25
yeah he's still in chat
192:26
he's like he's i think he's in there
192:28
with the telling the ladies about his
192:30
dog

Declaration of Linda Kingsland, Continued

192:33

he's got all the ladies ooh and on over

192:35

his his dog

192:36

that's what bravery looks like i don't

192:38

know he's a good kid like he really is

192:40

and

192:41

he's gonna live his life he needs to be

192:43

able to live his life and

192:44

i've um my audience knows

192:48

that i

192:51

pride myself on that discernment for the

192:54

truth

192:55

and i am standing behind dylan

192:59

100 the 9-1-1 calls that i played

193:02

are absolutely not staged their heart

193:04

their gut wrenching

193:07

yeah their person are you

193:10

to say that sounds fake and staged what

193:12

is dead inside

193:14

Declaration of Linda Kingsland, Continued

you to not listen to that 911 call and

193:16

not want

193:17

to just emotionally people who have

193:20

become emotionally tone deaf

193:22

and they've become tone deaf to the

193:23

truth

193:25

and tone deaf to hearing that emotion

193:29

because they have willingly surrendered

193:33

their critical thinking

193:34

they have willingly surrendered to the

193:36

mob mentality and refused to think for

193:38

themselves i mean it's plain as day for

193:40

me

193:40

right it's plain to say for me um but i

193:43

think

193:44

for those people it i have it's like a

193:46

slowly chipping away

193:48

and and working at them to get them to

193:51

uh come around and open um

Declaration of Linda Kingsland, Continued

193:55

that third eye you'll get there we'll

193:57

get there

193:58

thank you so much jared have a good

194:00

evening and have a good week coming up

194:02

thanks you too all right take care

194:06

all right guys that's it for me um i

194:09

have stuff i still have to do and it's

194:10

12 30.

194:11

it's late so thank you so much for the

194:13

super chats

194:15

thank you guys so much for the paypal

194:16

venmo i

194:18

am going full time so if you want to

194:21

show your support please consider

194:22

becoming a patreon

194:24

and getting in on that discord level

194:27

we've had jared coming in there

194:29

also coming up i'm going to be doing a q

194:31

Declaration of Linda Kingsland, Continued

a

194:32

on this case with frank who is the uncle

194:36

of whitley who knows the case file

194:40

inside and out

194:41

and hopefully by that time i will have

194:43

had time to myself

194:45

really dig down on that case file and um

194:49

absorb as much as i can from it and i'm

194:51

picking out pieces that i think are

194:53

really

194:53

important that people need to see and

194:56

acknowledge

194:58

so thank you guys wow we had a great

195:01

turnout tonight

195:04

and yeah please consider joining that

195:06

patreon and showing some support now

195:07

that i'm going full time i'm going to be

195:09

doing a whole lot more

195:10

writing there's going to be more

Declaration of Linda Kingsland, Continued

195:12

monologues in my future

195:14

but before i really get started on that

195:17

i have like i said i have been

195:19

really exhausted i have had some issue

195:22

health challenges lately i'm going to be

195:26

taking some time to get some r r and

195:30

get my feet under me so

195:34

but yeah thank you so much you guys

195:38

thank you eg thank you melania thank you

195:40

christina thank you so much melissa

195:42

thank you for the abundance of super

195:45

chats guys

195:46

it all adds up it all

195:49

adds up please consider doing paypal and

195:52

venmo

195:52

as those things don't take out the

195:54

little percentage things but the super

195:56

chats are much appreciated because

195:59

Declaration of Linda Kingsland, Continued

those are that visible that's as i'm

196:01

going i'm seeing that right i'm not

196:03

seeing the paypal in the venmo

196:04

but i'm seeing those super chats and it

196:06

just shows me how much everyone is

196:08

enjoying the show

196:09

so as i was saying as we move forward

196:12

into me

196:13

doing more i will definitely be doing

196:17

more writing there will definitely be

196:19

more

196:19

patreon exclusive stuff and

196:23

i'm going to obviously have time to get

196:25

back into

196:26

the sea glass right

196:30

i'll have time to get back into the sea

196:32

glass

196:33

and the jewelry wrapping

196:37

so

Declaration of Linda Kingsland, Continued

196:40

matt miller go ahead and reach out to me

196:42

um let's put my

196:44

email in chat

196:52

so there's my email please go ahead and

196:56

reach out to me matt uh

196:58

dylan oh here's louis last minute he's

197:00

like last call wait wait let me in the

197:02

door i'm good it's

197:04

two in the morning what's up lewis

197:09

lewis hey are you leaving

197:12

yeah i'm like yeah i got stuff i got to

197:14

do oh man i can't hear you it's all it's

197:16

all stuttering

197:18

are you driving through mexico i was um

197:20

all up on chat

197:22

early what i said are you driving

197:24

through mexico again

197:28

uh well actually i'm not driving but

197:29

Declaration of Linda Kingsland, Continued

yeah i have to be somewhere so i was

197:31

listening throughout the whole

197:33

the whole or you know everything earlier

197:35

and i was all up on chat and then i had

197:36

to get ready because um

197:38

i was late as it is but uh but yeah i

197:40

just wanted to uh chime in

197:42

and say that um i don't know i don't

197:45

know

197:45

i have a theory you do have a theory all

197:48

right well share it with me on whatsapp

197:51

yes yes because i wouldn't be ready to

197:54

share it here and i shouldn't but i will

197:57

all right share it with me on whatsapp

197:59

and

198:00

then when i when i'm back and i do

198:03

because i definitely

198:04

want to begin debating and if these

198:07

people don't show

Declaration of Linda Kingsland, Continued

198:08

up and debate these people that are

198:09

emailing me and leaving comments in my

198:11

comment section if they don't show up

198:14

yeah if they don't show up to debate

198:16

they're they're gonna hear the their

198:18

kraken's gonna come raging out they're

198:20

going to be

198:22

they're going to get the chicken if they

198:25

don't start showing up

198:26

love to wait till i hit the end

198:28

broadcast button

198:30

and then they start flooding the

198:32

comments section with how

198:33

wrong you are i love you but you're off

198:36

base on this one

198:38

kate you're great but i think you're

198:41

wrong on this

198:42

one and that's what they say they don't

198:44

Declaration of Linda Kingsland, Continued

qualify it they say nothing else but

198:46

thank god for that

198:47

and then i have clueless who left me a

198:49

novel

198:50

the other day about all the

198:53

the talking points that are easily

198:55

dismissed by the case file

198:57

so clueless you're welcome to come on

199:00

panel

199:00

and and debate it but all you people

199:03

that want to sit in my comment section

199:05

and run your peaks

199:08

um you're gonna be expected to show up

199:11

when i do have my panel

199:14

which should look for that sometime end

199:16

of this week

199:18

um yeah or you're gonna start getting

199:22

chickened

199:22

in chat i didn't want to chicken anyone

Declaration of Linda Kingsland, Continued

199:24

tonight and chat because i was trying to

199:26

be respectful of dylan and kind of keep

199:27

it above board

199:29

but from now on if people want to sit

199:31

and chat and start peppering me

199:33

with their theories and how wrong i am

199:35

and this that and the other

199:36

i said at the start of this this isn't

199:39

really for me

199:40

about arguing the nuances of this case

199:43

okay

199:44

everyone can get their hands on that

199:46

case file and read it for themselves

199:48

i'm going to pull out what i believe is

199:51

pertinent

199:51

and i'm going to be showing it to people

199:53

but anyone can get their hands on that

199:54

case file

199:55

Declaration of Linda Kingsland, Continued

and read it for themselves but a lot of
199:57

the stuff that i'm seeing
199:58

put at me all the gunshot residue the
200:01

gun had no prints the
200:03

the nick in the light switch
200:06

the trajectory of the bullet this that
200:09

all of it
200:10

can be easily explained by the case file
200:14

and including the um dynamics between
200:18

ray and christian and whitley and
200:20

christian and the truth about dylan and
200:22

all of these things just so easily
200:23

accessible on the kid the truth is right
200:25

there
200:26

in in the case file and you know as i
200:30

said about
200:30

you know i've said about discoveries in
200:32

the past it's not necessarily the
200:34

end-all be-all

Declaration of Linda Kingsland, Continued

200:35

but um it's there's a lot in there

200:39

that that can't be uh argued so

200:42

but people want to argue it then come on

200:43

and argue it we can argue it all day

200:45

long

200:45

but i would much rather focus on the

200:48

abuse

200:49

of social media and the social media

200:51

aspect of that and the mob mentality

200:54

and taking the peasants to task so

200:58

and voice for the voiceless you are

201:00

welcome to come on panel

201:02

next time when i have open panel debate

201:04

about this case and we could talk about

201:05

anything about it just not tonight

201:07

i guess yeah i was gonna say this person

201:10

was all up on your chat

201:13

conveniently they they have to go right

201:15

Declaration of Linda Kingsland, Continued

yeah

201:17

this is this is what i see here too when

201:19

i i'm trying to conduct my show

201:22

and i put in all this work it's just

201:24

rude it's rude voice for the voiceless

201:27

it's rude and

201:28

you might want to consider how to be a

201:30

better audience member because i don't

201:32

know do you do that when you go to a

201:33

college course

201:34

or you go to a speaking engagement do

201:37

you sit in the audience

201:38

and just

201:44

run your beak at the person trying to

201:46

put on a show i put a lot of work into

201:48

this

201:48

a lot i put hours and hours of work into

201:51

this

201:52

and cultivating sources and getting

Declaration of Linda Kingsland, Continued

201:54

people to open up and be comfortable

201:56

with me

201:57

and you just sit in my chat the minute i

201:58

go live and just glocks goes clock squat

202:00

quack

202:02

because you think you're gonna come in

202:03

here and prove you're right and i'm

202:05

wrong

202:07

and it's just rude wait for we have

202:10

wait until we have a designated panel

202:13

voices for voiceless and

202:14

i don't mean to be rude to you voices i

202:16

want to hear what you have to say

202:18

but i want you to wait until there's a

202:20

panel and we can talk about it

202:22

and when it's fair and i can you can

202:24

debate me

202:25

and you can face me because you best

202:27

Declaration of Linda Kingsland, Continued

believe i'm gonna call you out

202:29

on your i'm gonna expect you to be on

202:31

your a-game

202:33

otherwise don't even bother why bother

202:37

so all right louis

202:42

all right kay i love you

202:46

i'll see you in once i'll see you

202:50

and for those of you okay and for those

202:53

of you saying that you miss lana

202:55

lana i always say it wrong she's gonna

202:58

kill me

202:58

um i do plan on having her back and i do

203:01

plan on addressing

203:02

the continued watts sideshow drama i

203:07

will be getting back into that

203:08

um give me a chance to get some rest and

203:12

get my oomph back

203:16

so all right take care lewis

203:20

all right yes yes yes

Declaration of Linda Kingsland, Continued

203:24

all right louis i'll see you in whatsapp

203:26

bye take care bye-bye

203:27

all right you guys have a good night see

203:29

you next time take care
